RISK FACTORS

The following are those risk factors which are material to each Company and of which each Company's respective Directors are aware. Material risk factors relating to the Offer Shares are contained in the Securities Note. Additional factors which are not presently known to the Directors, or that the Directors currently deem immaterial, may also have an effect on their respective Company's business, financial condition or results of operations.

Investment Risks

Investment in unquoted companies (including AIM traded companies), by its nature, involves a higher degree of risk than investment in companies listed on the Official List. In particular, small companies often have limited product lines, markets or financial resources and may be dependent for their management on a small number of key individuals. They may be more susceptible to political, exchange rate, taxation, economic and other regulatory changes and conditions. In addition, the market for securities in smaller companies may be less regulated and is usually less liquid than that for securities in larger companies, bringing with it potential difficulties in acquiring, valuing and disposing of such securities. Proper information for determining their value or the risks to which they are exposed may also not be available. Investment returns will, therefore, be uncertain and involve a higher degree of risk than investments in companies listed on the Official List.

VCTs are subject to investment restrictions, a summary of which are set out in Part Nine - Taxation Considerations of the Securities Note. This may have an impact on the investments the Companies can make and the returns achievable. Although Mobeus has seen a strong flow of new investment opportunities, there can be no guarantee that suitable investments will be identified in order to meet each Company's objectives.

It can take a period of years for the underlying value or quality of smaller companies, such as those in which the Companies invest, to be fully reflected in their market values and their market values are often also materially affected by general market sentiment, which can be negative for prolonged periods. Furthermore, a Company's investments may be difficult, and take time, to realise. There may also be constraints imposed on the realisation of investments in order to maintain the VCT tax status of a Company.

Although a Company may receive customary venture capital rights in connection with its investments, particularly as a minority investor, it may not be in a position to protect its interests fully or be the sole determining factor of when a company is offered for sale. Furthermore, VCTs are subject to certain requirements which may restrict its ability to provide further funding to an investment should the need arise.

Mobeus has typically structured its investments in part equity and part loan and it aims to maximise the loan stock element so as to minimise overall investment risk. To the extent that investee companies are unable to pay the interest on loan stock instruments, a Company's income return will be adversely affected. Investee companies may also have debt, such as bank loans, which rank ahead of the loan stock issued to a Company. Dividends are also potentially receivable from investee companies arising from the Companies equity holding, but the size and likelihood of receipt is dependent upon a wide range of company specific factors.

Since the Companies hold a portfolio of underlying investments, the risks of which are explained above, the value of Shares, and the income investors derive from them, can fluctuate and investors may not get back the full amount they invested. In addition, there is no certainty that the market price of Shares will fully reflect their underlying net asset value nor is there any guarantee that dividends will be paid, nor that any dividend target stated will be met.

Where more than one of the funds advised by Mobeus wishes to participate in an investment opportunity, allocations will generally be made in proportion to the net asset value of each fund. When one or more of the funds advised by Mobeus is in a fundraising period, its net funds raised, for the purpose of allocation, will be assumed to be the value of Shares allotted in that Company at the time the allocation calculation is made. Implementation of this policy will be subject to the availability of funds to make the investment and other portfolio considerations, such as sector exposure and the requirement to achieve or maintain a minimum of 70% of a particular Company's portfolio in VCT qualifying holdings. This may mean that a Company may receive a greater or lesser allocation than would otherwise be the case under the normal co-investment policy.

VCT Risks

Whilst it is the intention of each Board that its Company will continue to be managed so as to qualify as a VCT, there can be no guarantee that a Company's VCT status will be maintained. Failure to continue to meet the qualifying requirements could result in Qualifying Investors losing the tax reliefs available for VCT shares, resulting in adverse tax consequences including, if the holding has not been held for the relevant holding period, a requirement to repay the upfront tax reliefs obtained. Furthermore, should a Company lose its VCT status, dividends and gains arising on the disposal of Shares would become subject to tax and the relevant Company would also lose its exemption from corporation tax on its capital gains.

Changes in legislation concerning VCTs (including the 'patient' capital review announced by the UK Government), in particular in relation to what constitutes qualifying holdings, qualifying trades and qualifying use of funds, may limit the number of qualifying investment opportunities, reduce the level of returns which would otherwise have been achievable or result in a Company not being able to meet its objectives. Furthermore, the 'patient' capital review may impose restrictions on VCT fund raisings and such restrictions may affect the ability of a VCT to participate in follow-on funding for investee companies, pay dividends and/or support a buy-back policy.

If at any time VCT status is lost for a Company, dealings in its Shares will normally be suspended until such time as proposals for the Company to continue or to be wound up have been announced.

The disposal of Offer Shares within five years of subscription will result in any income tax relief claimed thereon becoming repayable. Further, the disposal of existing Shares within six months either side of the acquisition of Offer Shares in the same Company will result in the amount of the investment in Offer Shares to which VCT tax reliefs are available being reduced by an amount equal to the proceeds received on the disposal.

The tax rules, or their interpretation, in relation to an investment in a Company and/or the rates of any tax, may change during the life of that Company and may apply retrospectively. The value of the tax reliefs depends on the personal circumstances of the investors, who should consult their own tax advisers before making any investment.

Economic, Government, Political

Any change of governmental, economic, fiscal, monetary or political policy, in particular current government spending reviews and cuts and changes to the current level of interest rates, could materially affect, directly or indirectly, the operation of the Companies and/or the performance of the Companies and the value of, and returns from, Shares and/or their ability to achieve or maintain VCT status.

Some commentators believe that in light of the UK EU referendum vote to leave the European Union, as well as other global political uncertainties, the UK economy will continue to face testing circumstances in the short to medium term that could affect economic growth and as a result investors may not get back the amount they originally invested.

Other Risks

The Articles provide the opportunity for Shareholders of a Company to vote on the continuation of that Company at the annual general meeting falling after the fifth anniversary of the earlier of the last allotment of Shares in that Company or the last continuation vote held. The allotment of Offer Shares in a Company pursuant to its Offer will, therefore, defer (in accordance with the Articles) the opportunity for Shareholders of the relevant Company to vote on the continuation of that Company for at least five years and, as a result, both new and existing Shareholders may have to wait longer to realise their holding in the relevant Company, if no trading in the market is possible.

The number of Offer Shares to be issued in a Company will be calculated by a formula linked to the latest published NAV of a Share in the relevant Company which will determine the Offer Price. The most recently published unaudited NAVs for the Companies are as at 30 June 2017.

(B) MOBEUS

The Companies' investment adviser is Mobeus, a limited liability partnership incorporated and registered in England and Wales under number OC320577 pursuant to the Limited Liability Partnerships Act 2000 (telephone number 020 7024 7600). Mobeus' registered office is 3rd Floor, 52 Jermyn Street, London SW1Y 6LX and its principal place of business is 30 Haymarket, London SW1Y 4EX. Mobeus is authorised and regulated by the Financial Conduct Authority to advise on investments, arrange deals in investments and to make arrangements with a view to transactions in investments. The principal legislation under which Mobeus operates is the Limited Liability Partnership Act 2000 and the applicable provisions of the Companies Acts (and regulations made thereunder).

The origins of Mobeus date back to 1998 when its four founder partners began working together. Since 30 June 2012, Mobeus has been wholly owned by its executive partners.

The Mobeus team has now grown to 34 people, including 23 investment professionals. The Mobeus team focuses on advising and administering four Mobeus-advised VCTs and on managing an Institutional limited partnership ("LP").

Mobeus entered the VCT industry advising two multi-adviser VCTs as one of three investment advisers each looking after a share of the assets. These VCTs, TriVen VCT plc and TriVest VCT plc, were launched in 1999 and 2000 respectively. Between 2004 and 2009, it became clear to the independent boards of each of those Companies that Mobeus was achieving the best performance of the investment advisers and that Mobeus should be appointed as sole investment adviser. TriVen VCT was renamed Matrix Income & Growth 4 VCT plc in October 2006 and subsequently re-named Mobeus Income & Growth 4 VCT plc in June 2012. TriVest VCT plc was re-named The Income & Growth VCT plc in October 2007. These are two of the Companies in the Offers.

Matrix E-Ventures Fund plc was launched in 2000 and changed its name to Matrix Venture Fund VCT plc in 2001. In 2005, the Company changed its investment strategy and name to Matrix Income and Growth 2 VCT plc and launched a new C ordinary share fund. The C shares were subsequently merged with the ordinary shares on 10 September 2010. The Company changed its name to Mobeus Income & Growth 2 VCT plc in June 2012. This is the third Company in the Offers.

Matrix Income & Growth VCT plc and Matrix Income & Growth 3 VCT plc were launched with Mobeus as their sole investment adviser in 2004 and 2005 respectively. Matrix Income & Growth 3 VCT plc merged with Matrix Income & Growth VCT plc in 2010 and Matrix Income & Growth VCT plc changed its name to Mobeus Income & Growth VCT plc in June 2012. This is the fourth Company in the Offers.

ARTICLES

The material provisions of each of the Company's Articles are as detailed below. The provisions set out below apply to each Company unless otherwise stated. References in this section to "the Company" mean the relevant Company and references to "Directors" or "Board" mean the directors or board respectively of the relevant Company from time to time.

1. Limited Liability

The liability of the members is limited to the amount, if any, unpaid on their shares.

2. General Meetings

2.1 Convening of General Meetings

The Board may convene a general meeting whenever it thinks fit.

2.2 Notice of General Meeting

- (a) An annual general meeting shall be convened by not less than 21 clear days' notice in writing. Other general meetings shall, subject to CA 2006, be convened by not less than 14 clear days' notice in writing.
- (b) Every notice convening a general meeting shall specify:
 - (i) whether the meeting is an annual general meeting;
 - (ii) the place, the day and the time of the meeting;
 - (iii) the general nature of the business to be transacted;
 - (iv) if the meeting is convened to consider a special resolution the text of the resolution and the intention to propose the resolution as such; and
 - (v) with reasonable prominence that a member entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him and that a proxy need not also be a member.
- (c) The notice shall be given to the members other than any whom under the provisions of these Articles or of any restrictions imposed on any shares are not entitled to receive notice from the Company.

2.3 Omission to Send Notice

The accidental omission to send a notice of meeting or, in cases where it is intended that it be sent out with the notice, an instrument of proxy, to, or the non-receipt of either by, any person entitled to receive the same shall not invalidate the proceedings at that meeting.

3 Proceedings at General Meetings

3.1 Quorum

No business shall be transacted at any general meeting unless a quorum is present when the meeting proceeds to business but the absence of a quorum shall not preclude the choice or appointment of a chairman which shall not be treated as part of the business of the Meeting. Subject to the provisions below, two persons entitled to attend and to vote on the business to be transacted, each being a member present in person or a proxy for a member or a duly authorised representative of a corporation which is a member, shall be a quorum.

3.2 If Quorum not Present

If within five minutes (or such longer interval as the Chairman in his absolute discretion thinks fit) from the time appointed for the holding of a general meeting a quorum is not present, or if during a meeting such a quorum ceases to be present, the meeting, if convened on the requisition of members, shall be dissolved. In any other case, the meeting shall stand adjourned to such day and at such time and place as the Chairman may determine, being not less than ten clear days nor more than 28 days thereafter at such adjourned meeting one member present in person or by proxy or (being a corporation) by a duly authorised representative shall be a quorum. If no such quorum is present or if during the adjourned

meeting a quorum ceases to be present, the adjourned meeting shall be dissolved. The Company shall give at least seven clear days' notice of any meeting adjourned through lack of quorum.

4. Voting

4.1 Method of Voting

At any general meeting a resolution put to a vote of the meeting shall be decided on a show of hands unless (before or immediately after the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is duly demanded. Subject to the provisions of CA 2006, a poll may be demanded by:

- (a) the chairman of the meeting; or
- (b) at least five members present in person or by proxy having the right to vote on the resolution; or
- (c) a member or members present in person or by proxy representing not less than one tenth of the voting rights of all the members having the right to vote on the resolution; or
- (d) a member or members present in person or by proxy holding shares conferring a right to vote on the resolution being shares on which an aggregate sum has been paid up equal to not less than one tenth of the total sum paid up on all the shares conferring that right.

4.2 Chairman's Declaration Conclusive on Show of Hands

Unless a poll is duly demanded and the demand is not withdrawn a declaration by the Chairman of the meeting that a resolution has on a show of hands been carried or carried unanimously or by a particular majority or lost or not carried by a particular majority shall be conclusive, and an entry to that effect in the book containing the minutes of proceedings of the Company shall be conclusive evidence thereof, without proof of the number or proportion of the votes recorded in favour of or against such resolution.

5. Votes of Members

Subject to the provisions of the CA 2006 and to any special terms as to voting on which any shares may have been issued or may for the time being be held and to any suspension or abrogation of voting rights pursuant to the Articles, at any general meeting every member who is present in person or by proxy or (being a corporation) is present by a duly authorised representative shall on a show of hands have one vote and on a poll shall have one vote for each share of which he is the holder.

6. Variation of Class Rights

6.1 Sanction to Variation

- (a) Subject to the provisions of CA 2006, if at any time the share capital of the Company is divided into shares of different classes any of the rights for the time being attached to any share or class of shares in the Company (and notwithstanding that the Company may be or be about to be in liquidation) may (unless otherwise provided by the terms of issue of the shares of that class) be varied or abrogated in such manner (if any) as may be provided by such rights or, in the absence of any such provision, either with the consent in writing of the holders of not less than three quarters in nominal value of the issued shares of the class or with the sanction of an extraordinary resolution passed at a separate general meeting of the holders of shares of the class duly convened and held as provided in these Articles (but not otherwise).
- (b) The foregoing provisions of this article shall apply also to the variation or abrogation of the special rights attached to some only of the shares of any class as if each group of shares of the class differently treated formed a separate class the separate rights of which are to be varied.

6.2 Class Meetings

All the provisions in the Articles as to general meetings shall mutatis mutandis apply to every meeting of the holders of any class of shares save that:

- (a) the quorum at every such meeting shall be not less than two persons holding or representing by proxy at least one third of the nominal amount paid up on the issued shares of the class;
- (b) every holder of shares of the class present in person or by proxy may demand a poll;

- (c) each such holder shall on a poll be entitled to one vote for every share of the class held by him; and
- (d) if at any adjourned meeting of such holders, such quorum as aforesaid is not present, not less than one person holding shares of the class who is present in person or by proxy shall be a quorum.

7. Consolidation and Subdivision

The Company in general meeting may from time to time by ordinary resolution:

- (a) consolidate and divide all or any of its share capital into shares of larger nominal amount than its existing shares; and
- (b) subject to the provisions of CA 2006, sub-divide its shares or any of them into shares of smaller nominal value and may by such resolution determine that as between the shares resulting from such sub-division, one or more of the shares may, as compared with the others, have any such preferred, deferred or other special rights or be subject to any such restrictions as the Company has power to attach to new shares.

8. Transfer of Shares

8.1 Form of Transfer

Except as provided in paragraph 8.2 below, each member may transfer all or any of his shares by instrument of transfer in writing in any usual form or in any form approved by the Board. Such instrument shall be executed by or on behalf of the transferor and (in the case of a transfer of a share which is not fully paid up) by or on behalf of the transferee. The transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the Register in respect of it.

8.2 Right to Refuse Registration

- (a) The Board may in its absolute discretion and without giving any reason refuse to register any share transfer unless:
 - (i) it is in respect of a share which is fully paid up;
 - (ii) it is in respect of only one class of shares;
 - (iii) it is in favour of a single transferee or not more than four joint transferees;
 - (iv) it is duly stamped (if so required); and
 - (v) it is delivered for registration to the Office, or such other place as the Board may from time to time determine, accompanied (except in the case of a transfer by a recognised person where a certificate has not been issued) by the certificate for the shares to which it relates and such other evidence as the Board may reasonably require to prove the title of the transferor and the due execution by him of the transfer or if the transfer is executed by some other person on his behalf, the authority of that person to do so, provided that such discretion may not be exercised in such a way as to prevent dealings in such shares from taking place on an open and proper basis.

9. Dividends and Other Payments

9.1 Declaration of Dividends

Subject to the provisions of CA 2006 and the Articles, the Company may by ordinary resolution declare that out of profits available for distribution dividends be paid to members according to their respective rights and interests in the profits of the Company available for distribution. However, no dividend shall exceed the amount recommended by the Board.

9.2 Entitlement to Dividends

- (a) Except as otherwise provided by the rights attached to shares, all dividends shall be declared and paid according to the amounts paid up (otherwise than in advance of calls) on the shares on which the dividend is paid. Subject as aforesaid, all dividends shall be apportioned and paid pro rata according to the amounts paid up or credited as paid up on the shares during any portion or portions of the period in respect of which the dividend is paid but if any share is issued on terms

providing that it shall rank for dividend as from a particular date or be entitled to dividends declared after a particular date it shall rank for or be entitled to dividends accordingly.

- (b) All dividends and interest shall be paid (subject to any lien of the Company) to those members whose names shall be on the register at the date at which such dividend shall be declared or at the date at which such interest shall be payable respectively, or at such other date as the Company by ordinary resolution or the Board may determine, notwithstanding any subsequent transfer or transmission of shares.
- (c) The Board may pay the dividends or interest payable on shares in respect of which any person is by transmission entitled to be registered as holder to such person upon production of such certificate and evidence as would be required if such person desired to be registered as a member in respect of such shares.

10. Borrowing Powers

10.1 Subject as provided in the Articles, the Board may exercise all the powers of the Company to borrow money and to mortgage or charge all or any part of the undertaking, property and assets (present or future) and uncalled capital of the Company and, subject to the provisions of CA 2006, to issue debentures and other securities whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party.

10.2 The Board shall restrict the borrowings of the Company and exercise all voting and other rights and powers of control exercisable by the Company in respect of its subsidiaries so as to procure (as regards its subsidiaries in so far as it can procure by such exercise) that the aggregate principal amount at any one time outstanding in respect of moneys borrowed by the Group (exclusive of moneys borrowed by one Group (being the Company and its subsidiaries from time to time) company from another) shall not at any time without the previous sanction of an ordinary resolution of the Company exceed an amount equal to the Adjusted Capital (as defined below) and Reserves (as defined below). For the purposes of MIG 4, such amount is limited to 0.5 times the Adjusted Capital and Reserves.

10.3 For these purposes only:

- (a) the Adjusted Capital and Reserves means a sum equal to the aggregate from time to time of:
 - (i) the amount paid up (or credited as paid up) on the issued share capital of the Company (for the purposes of MIG 2, such amount shall be limited to 90% of the amount paid up (or credited as paid up) on its issued share capital); and
 - (ii) the amount standing to the credit of the capital and revenue reserves of the Group, whether or not distributable (including without limitation any share premium account, capital redemption reserve fund, and credit or debit balance on any other distributable reserve) after adding thereto or deducting therefrom any balance standing to the credit or debit of the profit and loss account,

all as shown in the latest audited balance sheet of the Group but after:
 - (iii) making such adjustments as may be appropriate to reflect any variation in the amount of the paid up share capital, the share premium account or the capital redemption reserve or any such reserves (other than the profit and loss account) since the date of the relevant balance sheet and so that if any issue or proposed allotment of shares by the Company for cash has been underwritten, then such shares shall be deemed to have been allotted and the amount of the subscription monies payable in respect of them shall be deemed to have been paid up to the extent so underwritten on the date when the issue of such shares was underwritten;
 - (iv) excluding (so far as not already excluded):
 - (A) amounts attributable to the proportion of the issued equity share capital of any subsidiary which is not attributable directly or indirectly to the Company;
 - (B) any sum set aside for taxation (including deferred taxation) other than for tax equalisation;
 - (v) deducting:
 - (A) sums equivalent to the values of goodwill and other intangible assets shown in

the relevant balance sheet; and

- (B) the amount of any distribution declared, recommended or made by any Group company to a person other than a Group company out of profits accrued up to and including the date of (and not provided for in) the relevant balance sheet.

(b) moneys borrowed includes:

- (i) the nominal amount of any issued and paid up share capital and the principal amount of any debenture or borrowings of any person together with any fixed or minimum premium payable on redemption, the beneficial interest in which or right to repayment to which is not for the time being owned by a Group company but the payment or repayment of which is the subject of a guarantee or indemnity by a Group company or is secured on the assets of a Group company;
- (ii) the principal amount raised by any Group company by acceptances or under any acceptance credit;
- (iii) the principal amount of any debenture (whether secured or unsecured) of any Group company beneficially owned otherwise than by a Group company;
- (iv) the principal amount of any share capital of any subsidiary (not being equity share capital) beneficially owned otherwise than by a Group company;

but do not include:

- (v) moneys borrowed by any Group company for the purpose of repaying within 6 months of the whole or any part of any moneys borrowed and then outstanding (including any premium payable on final repayment) of that or any other Group company pending their application for such purpose within that period;
- (vi) monies borrowed which would otherwise be included in the calculation more than once;
- (vii) the proportion of moneys borrowed by a Group company (and not owing to another Group company) which is equal to the proportion of its issued equity share capital not attributable directly or indirectly to the Company;

10.4 All monies borrowed which fall to be repaid in a currency other than sterling shall be translated into sterling on the same basis as that adopted in the latest audited consolidated balance sheet of the Company or in the case of monies borrowed after the date of such balance sheet at the relevant rate of exchange ruling in London at the time the same was borrowed.

10.5 No debt incurred or security given in respect of moneys borrowed in excess of the limit imposed by this article shall be invalid or ineffectual unless to the lender or recipient of the security held at the time when the debt was incurred or security express notice that the limit had been or would thereby be exceeded but no lender or other person dealing with the Company shall be concerned to see or enquire whether such limit is observed.

10.6 In this paragraph 10, references to "Group" mean the Company and its subsidiaries and subsidiary undertakings for the time being.

11. Directors' Interests

11.1 Conflicts of Interest Requiring Board Authorisation

The Board may, provided the quorum and voting requirements set out below are satisfied, authorise any matter that would otherwise involve a Director breaching his duty under CA 2006 to avoid conflicts of interest.

(a) Any Director (including the Director concerned) may propose that the Director concerned be authorised in relation to any matter the subject of such a conflict. Such proposal and any authority given by the Board shall be effected in the same way that any other matter may be proposed to and resolved upon by the Board under the provisions of these Articles, except that the Director concerned and any other Director with a similar interest:

- (i) shall not count towards the quorum at the meeting at which the conflict is considered;
- (ii) may, if the other members of the Board so decide, be excluded from any Board meeting while the conflict is under consideration; and

- (iii) shall not vote on any resolution authorising the conflict except that, if he does vote, the resolution will still be valid if it would have been agreed to if his vote had not been counted.
- (b) Where the Board gives authority in relation to such a conflict:
 - (i) the Board may (whether at the time of giving the authority or at any time or times subsequently) impose such terms upon the Director concerned and any other Director with a similar interest as it may determine, including, without limitation, the exclusion of that Director and any other Director with a similar interest from the receipt of information, or participation in discussion (whether at meetings of the Board or otherwise) related to the conflict;
 - (ii) the Director concerned and any other Director with a similar interest will be obliged to conduct himself in accordance with any terms imposed by the Board from time to time in relation to the conflict;
 - (iii) any authority given by the Board in relation to a conflict may also provide that where the Director concerned and any other Director with a similar interest obtains information that is confidential to a third party, the Director will not be obliged to disclose that information to the Company, or to use the information in relation to the Company's affairs, where to do so would amount to a breach of that confidence;
 - (iv) the authority may also provide that the Director concerned, or any other Director with a similar interest, shall not be accountable to the Company for any benefit he receives as a result of the conflict;
 - (v) the Board may withdraw such authority at any time.

11.2 Director may have Interests

Subject to the provisions of CA 2006 and the Articles and further provided that a Director has declared his interest, a Director, notwithstanding his office:

- (a) may be a party to or otherwise be interested in any transaction or arrangement with the Company or in which the Company is otherwise interested, either in regard to his tenure of any office or place of profit or as vendor, purchaser or otherwise;
- (b) may hold any other office or place of profit under the Company (except that of Auditor (being the auditor of the Company from time to time) or of auditor of a subsidiary of the Company) in conjunction with the office of Director and may act by itself or through his firm in a professional capacity for the Company and in any such case on such terms as to remuneration and otherwise as the remuneration committee may arrange either in addition to or in lieu of any remuneration provided for by any other article;
- (c) may be a director or other officer, or employed by, or a party to any transaction or arrangement with or otherwise interested in, any body corporate promoted by or promoting the Company or in which the company is otherwise interested or as regards which the Company has any powers of appointment; and
- (d) shall not, by reason of his office, be liable to account to the Company for any remuneration or benefit which he derives from any such office, employment, contract or from any interest in any such body corporate; and no such office, employment or contract, shall be avoided on the grounds of any such interest or benefit.

12. Untraced Members

12.1 Power of Sale

The Company shall be entitled to sell at the best price reasonably obtainable any share of a member or any share to which a person is entitled by transmission if and provided that:

- (a) during the period of 12 years no cheque, order or warrant sent by the Company in a manner authorised by these Articles has been cashed and during such period of 12 years at least three cash dividends have been paid and no dividend has been claimed;
- (b) on or after expiry of the said period of 12 years the Company has given notice of its intention to

sell such share by advertisements in both a national daily newspaper published in the United Kingdom and in a newspaper circulating in the area in which the last known address of such member or person for the service of notices under these Articles appeared;

- (c) during the further period of three months following the date of publication of the said advertisements (or, if published on different dates the later or latest of them) and prior to the exercise of the power of sale so far as the Board is aware the Company has not received any communication in respect of such share from the member or person entitled by transmission; and
 - (d) the Company has given notice to the UK Listing Authority of its intention to make such sale.
- 12.2 To give effect to any sale of shares pursuant to this article the Board may authorise some person to transfer the shares in question and may enter the name of the transferee in respect of the transferred shares in the register notwithstanding the absence of any share certificate being lodged in respect of it and may issue a new certificate to the transferee. An instrument of transfer or transfer instruction executed by that person shall be as effective as if it had been executed by the holder of, or the person entitled by transmission to, the shares. The purchaser shall not be bound to see to the application of the purchase moneys nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.
- 12.3 The net proceeds of sale shall belong to the Company which shall be indebted to the former holder or person entitled by transmission to an amount equal to such net proceeds.

13. Capitalisation of Reserves

- (a) The Board may with the authority of an ordinary resolution of the Company, subject as provided in this article, resolve to capitalise any profits of the Company not required for paying any preferential dividend (whether or not they are available for distribution) or any sum standing to the credit of any reserve or fund of the Company which is available for distribution or standing to the credit of share premium account or capital redemption reserve or other undistributable reserve;
- (b) appropriate the sum resolved to be capitalised to the holders of Shares who would then be entitled to it if it were distributed by way of dividend and apply such sum on their behalf either in or towards paying up the amount, if any, for the time being unpaid on any share held by them respectively or in paying up in full unissued shares or debentures of the Company of a nominal amount equal to that sum and allot the shares or debentures credited as fully paid to those holders of Shares or as they may direct in those proportions or partly in one way and partly in the other provided that:
 - (i) the share premium account, the capital redemption reserve, any other undistributable reserve and any profits which are not available for distribution may, for the purposes of this Article, only be applied in paying up unissued shares to be allotted to holders of Shares credited as fully paid; and
 - (ii) in a case where any sum is applied in paying amounts for the time being unpaid on any shares of the Company or in paying up in full debentures of the Company, the amount of the net assets of the Company at that time is not less than the aggregate of the called up share capital of the Company and its undistributable reserves as shown in the latest audited accounts of the Company or such other accounts as may be relevant and would not be reduced below that aggregate by the payment of it;
- (c) resolve that any shares so allotted to any member in respect of a holding by him of any partly paid shares shall, so long as such shares remain partly paid, rank for dividends only to the extent that such partly paid shares rank for dividends;
- (d) make such provision by the issue of fractional certificates (or by ignoring fractions or by accruing the benefit of it to the Company rather than to the holders of Shares concerned) or by payment in cash or otherwise as it thinks fit in the case of shares or debentures becoming distributable in fractions;
- (e) authorise any person to enter on behalf of all the holders of Shares concerned into an agreement with the Company providing for either:
 - (i) the allotment to them respectively, credited as fully paid up, of any shares or debentures to which they may be entitled on such capitalisation; or

- (ii) the payment up by the Company on behalf of such holders by the application to it of their respective proportions of the reserves or profits resolved to be capitalised of the amounts or any part of the amounts remaining unpaid on their existing shares,

(any agreement made under such authority being effective and binding on all such holders); and

- (f) generally do all acts and things required to give effect to such resolution.

14. Distribution of Realised Capital Profits

At any time when the Company has given notice in the prescribed form (which has not been revoked) to the registrar of companies of its intention to carry on business as an investment company (a "Relevant Period") distribution of the Company's capital profits (within the meaning of section 833 of CA 2006) shall be prohibited. The Board shall establish a reserve to be called the capital reserve. During a Relevant Period all surpluses arising from the realisation or revaluation of investments and all other monies realised on or derived from the realisation, payment off of or other dealing with any capital asset in excess of the book value thereof and all other monies which are considered by the Board to be in the nature of accretion to capital shall be credited to the capital reserve. Subject to CA 2006, the Board may determine whether any amount received by the Company is to be dealt with as income or capital or partly one way and partly the other. In periods other than a Relevant Period any amount standing to the credit of the capital reserve may be transferred to the revenue reserves of the Company or be regarded or treated as profits of the Company available for distribution (as defined by section 474(2) of CA 2006) or be applied in paying dividends on any shares in the Company.

4. **Management and administration**

- 4.1 The MIG Directors, advised by Mobeus, are responsible for the determination of the investment policy, subject to approval by MIG Shareholders for any material changes and have overall responsibility for its affairs. The MIG Directors also retain responsibility for approving both the valuations of the portfolio and the net asset value of MIG. Mobeus has been appointed as investment adviser, providing investment advisory, administrative and company secretarial services to MIG on the terms set out at paragraphs 5.1 and 5.2 below. The existing management agreement set out at paragraph 5.1 below will automatically cover the management and fees in relation to the new funds raised by MIG pursuant to the MIG Offer and the performance incentive arrangements set out in paragraph 5.2 will also automatically extend to such funds.
- 4.2 As is customary in the private equity industry, Mobeus may retain for its own benefit and without liability to account to MIG, subject to full disclosure having been made to the MIG Directors, arrangement fees which it receives in connection with any unquoted investment made by MIG. It may also receive all monitoring fees or directors' fees charged to investee companies. Costs incurred on abortive investment proposals will be the responsibility of Mobeus.
- 4.3 Mobeus is responsible for the determination and calculation of MIG's net asset value, which is prepared quarterly for approval by MIG Directors. All unquoted investments are valued in accordance with IPEVC Valuation Guidelines under which investments are held at fair value. Any AIM or other quoted investment will be valued at the bid price of its shares as derived from the Daily Official List of the London Stock Exchange, in accordance with general accepted accounting practice. MIG's net asset value will be calculated quarterly and published on an appropriate regulatory information service.
- If, at any time, MIG's VCT status is lost, dealing in its shares and valuation of MIG's net asset value will normally be suspended, which will be communicated to shareholders on an appropriate regulatory information service until such time as proposals to continue as a VCT or to be wound up have been further announced. The MIG Directors do not anticipate any other circumstance under which valuations may be suspended.
- 4.4 MIG expects to co-invest with the other VCT funds advised by Mobeus, participating in equity investments up to £5 million in aggregate, as long as the business has not received funds from any state-aided risk capital in the 12 months prior to the date of investment.

Where more than one of the funds advised by Mobeus wishes to participate in an investment opportunity, allocations will generally be made in proportion to the latest announced net asset value, adjusted for subsequent buybacks and dividends paid, of each fund at the date each investment proposal is forwarded to each Board. When one of the funds advised by Mobeus is in its fund raising period, its net funds raised, for the purpose of allocation, will be assumed to be the

value of shares allotted at the time the allocation calculation is made. Implementation of this policy will be subject to the availability of funds to make the investment and other portfolio considerations such as sector exposure and the requirement to achieve or maintain a minimum of 70% of a particular VCT's portfolio in VCT qualifying holdings. This may mean that MIG may receive a greater or lesser allocation than would otherwise be the case under the normal co-investment policy.

When MIG has insufficient funds available to satisfy its allocation, the balance shall be offered to one or more of the funds advised by Mobeus who have funds available for new investments pro rata as between themselves.

Any variation from this co-investment policy, insofar as it affects MIG or where MIG makes any investment not at the same time and on the same terms as that made by other funds advised by Mobeus, may only be made with the prior approval of the MIG Directors.

Save for the above, there are no material potential conflicts of interest which Mobeus may have as between its duty to MIG and duties owed by them to third parties and their interests.

- 4.5 Philp Hare & Associates LLP receives an annual fee of £7,500 plus VAT for providing advice and assistance in relation to the maintenance of the VCT status of MIG. If requested by MIG, Philp Hare & Associates LLP will also review prospective investments to ensure that they are qualifying investments and carry out reviews of the investment portfolio of MIG to ensure continuing compliance.
- 4.6 MIG has and will continue to have custody of its own assets:
- MIG's monetary assets will be held in bank accounts and/or money market accounts in MIG's own name; and
 - MIG's investments in both quoted and unquoted investments and the corresponding share certificates will also be held in MIG's own name.
- 4.7 A maximum of 75% of MIG's management expenses will be charged against capital with the balance to be met from income.
- 4.8 The members of the audit committee of MIG are Catherine Wall (chairman), Clive Boothman and Bridget Guérin. The audit committee members are considered to have sufficient recent and relevant financial experience to discharge the role, and will meet at least twice a year, amongst other things to, consider the following:
- monitoring the integrity of the financial statements of MIG;
 - reviewing MIG's internal control and risk management systems;
 - making recommendations to the MIG Directors in relation to the appointment of the external auditor;
 - reviewing and monitoring the external auditor's independence;
 - implementing and reviewing MIG's policies on the engagement of the external auditor to supply non-audit services; and
 - reviewing and assessing the external audit process.
- 4.9 Bridget Guérin has been appointed as the senior independent director of the Company. Shareholders may contact the senior independent director if they have concerns which contact through the Chairman or Mobeus has failed to resolve or for which such contact is inappropriate.
- 4.10 The members of the nomination and remuneration committee of MIG are Bridget Guérin (chairman), Clive Boothman and Catherine Wall. The nomination and remuneration committee members (who have responsibility for reviewing the remuneration of the MIG directors) will meet at least annually to consider the levels of remuneration of the MIG directors, specifically reflecting the time commitment and responsibilities of the role. The committee will also undertake comparisons and reviews to ensure that the levels of remuneration paid are broadly in line with industry standards. The nomination and remuneration committee also meets at least annually to consider the composition and balance of skills, knowledge and experience of the MIG directors and would make nominations to the MIG directors in the event of a vacancy. New MIG directors

are required to resign at the annual general meeting following appointment and then thereafter every three years. New directors are provided with an induction pack and an induction session is arranged in conjunction with the Board and Mobeus.

- 4.11 The members of the management engagement committee of MIG are Bridget Guérin (chairman), Clive Boothman and Catherine Wall. The management engagement committee members will meet at least annually to review MIG's contracts with its service providers and at other times when necessary, and makes recommendations to the MIG Board.
- 4.12 The Financial Conduct Authority requires all listed companies to disclose how they have applied the principles and complied with the provisions of the UK Corporate Governance Code (formerly the Combined Code) issued by the Financial Reporting Council.

The MIG Board has also considered the principles and recommendations of the AIC Code of Corporate Governance ("AIC Code") by reference to the AIC Corporate Governance Guide for Investment Companies ("AIC Guide"). The AIC Code, as explained by the AIC Guide, addresses all the principles set out in the UK Corporate Governance Code, as well as setting out additional principles and recommendations on issues that are of specific relevance to MIG.

The Financial Reporting Council has confirmed that in complying with the AIC Code, MIG meets its obligations in relation to the UK Corporate Governance Code and the Listing Rules. The MIG Board considers that reporting against the principles and recommendations of the AIC Code, and by reference to the AIC Guide (which incorporates the UK Corporate Governance Code), will provide better information to shareholders.

For the year ended 31 December 2016 and as at the date of this document, MIG has complied with the recommendations of the AIC Code and the relevant provisions of the UK Corporate Governance Code, except where noted below. There are certain areas of the UK Corporate Governance Code that the AIC does not consider relevant to investment companies and with which MIG does not specifically comply, of which the AIC Code provides dispensation. The areas and reasons for non-compliance are as follows:

- in light of the responsibilities retained by the MIG Board and its committees and of the responsibilities delegated to Mobeus, MIG has not appointed a chief executive officer or executive directors; and
- due to the systems and procedures of Mobeus, the provision of VCT tax monitoring services by Philip Hare & Associates LLP, as well as the size of MIG's operations, the MIG Board believe that an internal audit function is not appropriate.

MIG has not, therefore, reported further in respect of these provisions.

5 Material contracts

Set out below is a summary of all contracts (not being contracts entered into in the ordinary course of business) entered into by MIG in the last two years that are material and all other contracts (not being contracts entered into in the ordinary course of business) that contain any provision under which MIG has an obligation or entitlement which is material to MIG as at the date of the document.

- 5.1 An investment management agreement dated 20 May 2010 (as amended and restated on 9 November 2016) between MIG (1) and Mobeus (2), pursuant to which Mobeus provides certain advisory investment management and administrative services to MIG for a fee payable quarterly in advance of an amount equal to 2% per annum of net assets (inclusive of VAT, if any) plus an annual fixed fee of £120,000 (inclusive of VAT, if any) subject to increase in the Retail Price Index. In 2013, Mobeus agreed to waive such further increases until otherwise agreed with the MIG Board. If such annual increases were reinstated, the base annual fee to which such percentage increases would apply would be £134,168 (inclusive of VAT).

The above fees are subject to an annual expenses cap of over and above 3.6% of the net assets of MIG by way of a reduction of fees due to Mobeus in the following accounting period(s). For these purposes annual expenses include the normal running costs of MIG (excluding irrecoverable VAT and exceptional items but including annual trail commission). The amount of the excess is borne in full by Mobeus.

Mobeus may (subject to due disclosure to the MIG Board) retain for its own benefit, arrangement or syndication fees, placing commissions, monitoring fees, directors' fees and/or similar sums

which it receives in connection with any investment made by MIG, provided that the maximum amount of such fees and/or similar sums (other than directors' fees and monitoring fees) shall not exceed 2.5% of the funds provided for each such investment.

The agreement is terminable by either party on 12 months' notice by any party subject to earlier termination by any party in the event of, inter alia, a party having a receiver, administrator or liquidator appointed or committing a material breach of the agreement or by MIG if it fails to become, or ceases to be, a VCT for tax purposes or where Mobeus ceases to be authorised by the FCA or if there is a change in control of Mobeus.

The agreement contains provisions indemnifying Mobeus against any liability not due to its default, gross negligence, fraud or breach of FSMA.

- 5.2 A performance incentive agreement dated 9 July 2004 between MIG (1) and Matrix Private Equity Partners Limited (2), which was novated to Mobeus (then Matrix Private Equity Partners LLP) pursuant to a novation agreement dated 20 October 2006 and as amended by a deed of variation dated 20 May 2010 and supplemented by a side letter dated 10 December 2014, pursuant to which Mobeus is entitled to receive performance related incentive fees subject to achieving certain defined targets.

Mobeus is entitled to receive an annual performance-related incentive fee of 20% of the dividends paid in a year in excess of a "Target Rate" comprising firstly, an annual dividend paid in a year target which started at 6p per MIG Share on launch (indexed each year for RPI) and secondly a requirement that any shortfall of cumulative dividends paid in each year beneath the cumulative annual dividend target is carried forward and added to the Target Rate for the next accounting period. Any excess of cumulative dividends paid above the cumulative annual dividend target is not carried forward, whether an incentive fee is payable for that year or not. Payment of a fee is also conditional upon the daily weighted average NAV per MIG Share throughout such year equalling or exceeding the daily weighted average base NAV per MIG Share throughout the same year. The performance fee is payable annually.

The agreement will terminate automatically if MIG enters into liquidation or if a receiver or administrator is appointed or if a resolution is passed that MIG voluntarily wound up in accordance with the MIG Articles.

- 5.3 A letter of engagement dated 6 July 2017 from Howard Kennedy pursuant to which Howard Kennedy has been appointed as sponsor to the Companies in connection with the Offers. The Companies have agreed to indemnify Howard Kennedy for any loss suffered in respect of its role as sponsor which is a customary provision in an agreement of this nature. The Companies' liability under this indemnity is unlimited.

6 Objective and investment policy

6.1 Objective

The objective of MIG is to provide investors with a regular income stream, by way of tax-free dividends generated from income and capital returns, while continuing at all times to qualify as a VCT.

6.2 Investment policy

MIG's policy is to invest primarily in a diverse portfolio of UK unquoted companies. Investments are usually structured as part loan and part equity in order to receive regular income and to generate capital gains from realisations.

Investments are made selectively across a number of sectors, principally in established companies. Investments are usually structured as part loan and part equity in order to receive regular income stream and to generate capital gains from realisations.

There are a number of conditions within the VCT legislation which need to be met by MIG and which may change from time to time. MIG will seek to make investments in accordance with the requirements of prevailing VCT legislation.

Asset allocation and risk diversification policies, including the size and type of investments MIG makes, are determined in part by the requirements of prevailing VCT legislation. No single investment may represent more than 15% (by VCT tax value) of MIG's total investments at the date of investment.

Liquidity

MIG's cash and liquid funds are held in a portfolio of readily realisable interest bearing investments, deposit and current accounts, of varying maturities, subject to the overriding criterion that the risk of loss of capital be minimised.

Borrowing

MIG's articles of association permit borrowings of amounts up to 10% of the adjusted capital and reserves (as defined therein). However, MIG has never borrowed and the MIG Board would only consider doing so in exceptional circumstances.

6.3 It is the intention of the MIG Directors that MIG will pay dividends or make distributions from revenue profits and profits realised from the sale of investments.

6.4 MIG is subject to the investment restrictions relating to a venture capital trust in the Tax Act, as more particularly detailed in Part Ten of the Securities Note, and in the Listing Rules which specify that (i) MIG must, at all times, invest and manage its assets in a way which is consistent with its object of spreading investment risk and in accordance with its published investment policy as set out in this paragraph 6.2 above; (ii) MIG must not conduct any trading activity which is significant in the context of its group as a whole; and (iii) MIG may not invest more than 10%, in aggregate, of the value of the total assets of the issuer at the time an investment is made in other listed closed-ended investment funds. Any material change to the investment policy of MIG will require the approval of MIG Shareholders pursuant to the Listing Rules. MIG intends to direct its affairs in respect of each of its accounting periods so as to qualify as a venture capital trust and accordingly:

- (a) MIG's income is intended to be derived wholly or mainly from shares or other securities, as this phrase is interpreted by HMRC;
- (b) MIG will not control the companies in which it invests in such a way as to render them subsidiary undertakings;
- (c) none of the investments at the time of acquisition will represent more than 15% by VCT Value of MIG's investments; and
- (d) not more than 20% of MIG's gross assets will at any time be invested in the securities of property companies.

- 6.5 Mobeus has and will have sufficient and satisfactory relevant experience in advising on investments of the size and type which MIG proposes to make. The MIG Directors will also ensure that the board of MIG and any additional or replacement investment advisers have and will have sufficient and satisfactory experience in advising on such investments.
- 6.6 In the event of a breach of the investment restrictions which apply to MIG as described in paragraph 6.2 above, Shareholders of MIG will be informed by means of the half-year and/or the annual report or through a public announcement.
- 6.7 The MIG Directors act and will continue to act independently of Mobeus. No majority of the MIG Directors will be directors or employees of, or former directors or employees of, or professional advisers to, Mobeus or any other company in the same group as Mobeus.
- 6.8 The investment policy as set out in this paragraph 6 above, in the absence of unforeseen circumstances, will be adhered to by MIG for at least three years following the date of close of the MIG Offer. Any material change to MIG's investment policy in any event will only be made with the approval of the Shareholders of MIG by ordinary resolution.

8 Overseas investors

The issue of Offer Shares to persons resident in or citizens of jurisdictions outside the UK may be affected by the laws of the relevant jurisdiction. Such investors should inform themselves about and observe any legal requirements, in particular:

- 8.1 none of the Offer Shares have been or will be registered under the United States Securities Act 1933, as amended, ("the Securities Act") or qualify under applicable United States state statute and the relevant clearances have not been, and will not be, obtained from the securities commission of any province of Canada, Australia, Japan, South Africa or New Zealand;
- 8.2 the Companies are not registered under the United States Investment Company Act of 1940, as amended and investors are not entitled to the benefits of that Act; and
- 8.3 no offer is being made, directly, under the MIG Offer, in or into or by the use of emails, or by means of instrumentality (including, without limitation, facsimile, transmission, telex or telephone) or interstate or foreign commerce, or of any facility in a national securities exchange, of the United States, Canada, Australia, Japan, South Africa or New Zealand. It is the responsibility of investors with registered addresses outside the UK to satisfy themselves as to the observance of the laws of the relevant jurisdiction in connection with the issue of Offer Shares, including the obtaining of any government or exchange control or other consents which may be required, the compliance with any other necessary formalities which need to be observed and the payment of any issue, transfer or other taxes or duties due in such jurisdiction.

9 Taxation

The following paragraphs, which are intended as a general guide only and are based on current legislation and HMRC practice, summarise advice received by the MIG Directors as to the position of the Companies' Shareholders who hold MIG Shares other than for trading purposes. Any person who is in any doubt as to his taxation position or is subject to taxation in any jurisdiction other than the United Kingdom should consult his professional advisers.

- 9.1 Taxation of dividends - under current law, no tax will be withheld by MIG when it pays a dividend.

- 9.2 Stamp duty and stamp duty reserve tax - MIG has been advised that no stamp duty or stamp duty reserve tax will be payable on the issue of the MIG Shares. MIG has been advised that the transfer of MIG Shares will, subject to any applicable exemptions, be liable to ad valorem stamp duty at the rate of 0.5% of the consideration paid. An unconditional agreement to transfer such shares if not completed by a duly stamped stock transfer will be subject to stamp duty reserve tax generally at the rate of 50p per £100 (or part thereof) of the consideration paid.
- 9.3 Close company - the MIG Directors believe that MIG is not, and expect that following completion of the MIG Offer will not be, a close company within the meaning of the Tax Act. If MIG were a close company in any accounting period, approval as a Venture Capital Trust would be withdrawn.

The annual remuneration receivable by Adam Kingdon, Sally Duckworth and Ken Vere Nicoll is £23,000 each (in each case plus, if applicable, VAT and employers National Insurance Contributions). Ian Blackburn is paid £20,000 from 1 July 2017 and will be paid £23,000 from 15 September 2017. The office of a non-executive director of MIG 2 is not pensionable and no retirement or similar benefits are provided to the MIG 2 Directors. Aggregate MIG 2 Directors' emoluments in respect of qualifying services for the year ended 31 March 2017 amounted to £91,000 plus, if applicable, VAT and employers

National Insurance Contributions. Aggregate emoluments for the current financial year are expected to be £99,164 (plus, if applicable, VAT and employers National Insurance Contributions).

- 3.5 There are no potential conflicts of interest between the duties of any MIG 2 Director and their private interests and/or other duties.
- 3.6 No MIG 2 Director is or has been interested in any transaction which is or was unusual in its nature or conditions or significant to the business of MIG 2 and which was effected by MIG 2 in the years ended 31 March 2015, 2016 and 20167 or to the date of this document in the current financial year or and remains in any respect outstanding or unperformed.
- 3.7 No loan or guarantee has been granted or provided by MIG 2 to or for the benefit of any of the MIG 2 Directors.
- 3.8 MIG 2 has taken out directors' and officers' liability insurance for the benefit of its directors, which is renewable on an annual basis.
- 3.9 The MIG 2 Directors are currently or have been within the last five years, a member of the administrative, management or supervisory bodies or partners of the companies and partnerships as set out on pages 12 to 13.
- 3.10 No MIG 2 Director has any convictions in relation to fraudulent offences during the previous five years.
- 3.11 Save as disclosed in this paragraph, in the five years prior to the publication of this document, there were no bankruptcies, receiverships or liquidations of any companies or partnership where any of the MIG 2 Directors were acting as (i) a member of the administrative, management or supervisory body, (ii) a partner with unlimited liability, in the case of a limited partnership with a share capital, (iii) a founder where the company had been established for fewer than five years nor (iv) a senior manager, during the previous five years.
- (a) Sally Duckworth was a director of Redkite Financial Markets Limited which has been voluntarily struck off the Register of Companies. Redkite Financial Markets Limited was neither insolvent nor owed any amounts to creditors at the date of this document.
- (b) Ian Blackburn was a director of A Taste of Luxury Limited and Coda International Limited which were both struck off the Register of Companies. Neither company was insolvent nor owed any amounts to creditors at the time of their dissolutions in January 2017.
- 3.12 There has been no official public incrimination and/or sanction of any MIG 2 Director by statutory or regulatory authorities (including designated professional bodies) and no MIG 2 Director has ever been disqualified by a court from acting as a member of the administrative, management or supervisory bodies of a company or from acting in the management or conduct of the affairs of any company during the previous five years.

4. Management and administration

- 4.1 The MIG 2 Directors, advised by Mobeus, are responsible for the determination of the investment policy, subject to approval by MIG 2 Shareholders for any material changes, and have overall responsibility for its affairs. The MIG 2 Directors also retain responsibility for approving both the valuations of the portfolio and the net asset value of MIG 2. Mobeus has been appointed as investment adviser, providing investment advisory, administrative and company secretarial services to MIG 2 on the terms set out at paragraphs 5.1 and 5.2 below. The existing management agreement set out at paragraph 5.1 below will automatically cover the management and fees in relation to the new funds raised by MIG 2 pursuant to the MIG 2 Offer and the performance incentive arrangements set out in paragraph 5.2 will also automatically extend to such funds.
- 4.2 As is customary in the private equity industry, Mobeus may retain for its own benefit and without liability to account to MIG 2, subject to full disclosure having been made to the MIG 2 Directors, arrangement fees which it receives in connection with any unquoted investment made by MIG 2. It may also receive all monitoring fees or directors' fees charged to investee companies. Costs incurred on abortive investment proposals will be the responsibility of Mobeus.
- 4.3 Mobeus is responsible for the determination and calculation of MIG 2's net asset value, which is prepared quarterly for approval by MIG 2 Directors. All unquoted investments are valued in accordance with IPEVC Valuation Guidelines under which investments are held at fair value. Any

AIM or other quoted investment will be valued at the bid price of its shares as derived from the Daily Official List of the London Stock Exchange, in accordance with general accepted accounting practice. MIG 2's net asset value will be calculated quarterly and published on an appropriate regulatory information service.

If, at any time, MIG 2's VCT status is lost, dealing in its shares and valuation of MIG 2's net asset value will normally be suspended, which will be communicated to shareholders on an appropriate regulatory information service until such time as proposals to continue as a VCT or to be wound up have been further announced. The MIG 2 Directors do not anticipate any other circumstance under which valuations may be suspended.

- 4.4 MIG 2 expects to co-invest with the other VCT funds advised by Mobeus, participating in equity investments up to £5 million in aggregate, as long as the business has not received funds from any state-aided risk capital in the 12 months prior to the date of investment.

Where more than one of the funds advised by Mobeus wishes to participate in an investment opportunity, allocations will generally be made in proportion to the latest announced net asset value of each fund, adjusted for subsequent buybacks and dividends paid, at the date each investment proposal is forwarded to each Board. When one of the funds advised by Mobeus is in its fund raising period, its net funds raised, for the purpose of allocation, will be assumed to be the value of shares allotted at the time the allocation calculation is made. Implementation of this policy will be subject to the availability of funds to make the investment and other portfolio considerations such as sector exposure and the requirement to achieve or maintain a minimum of 70% of a particular VCT's portfolio in VCT qualifying holdings. This may mean that MIG 2 may receive a greater or lesser allocation than would otherwise be the case under the normal co-investment policy

When MIG 2 has insufficient funds available to satisfy its allocation, the balance shall be offered to one or more of the funds advised by Mobeus who have funds available for new investments pro rata as between themselves.

Any variation from this co-investment policy, insofar as it affects MIG 2 or where MIG 2 makes any investment not at the same time and on the same terms as that made by other funds advised by Mobeus, may only be made with the prior approval of the MIG 2 Directors.

Save for the above, there are no material potential conflicts of interest which Mobeus may have as between its duty to MIG 2 and duties owed by them to third parties and their interests.

- 4.5 Philip Hare & Associates LLP receives an annual fee of up to £7,000 plus VAT for providing advice and assistance in relation to the maintenance of the VCT status of MIG 2. If requested by MIG 2, Philip Hare & Associates LLP will also review prospective investments to ensure that they are qualifying investments and carry out reviews of the investment portfolio of MIG 2 to ensure continuing compliance.

- 4.6 MIG 2 has and will continue to have custody of its own assets:

- MIG 2's monetary assets will be held in bank accounts and/or money market accounts in MIG 2's own name; and
- MIG 2's investments in both quoted and unquoted investments and the corresponding share certificates will also be held in MIG 2's own name.

- 4.7 A maximum of 75% of MIG 2's management expenses will be charged against capital with the balance to be met from income.

- 4.8 All of the MIG 2 Directors are members of the audit committee of MIG 2 with Adam Kingdon acting as chairman. The audit committee members are considered to have sufficient recent and relevant financial experience to discharge the role, and will meet at least twice a year, amongst other things to, consider the following:

- monitoring the integrity of the financial statements of MIG 2;
- reviewing MIG 2's internal control and risk management systems;
- making recommendations to the MIG 2 Directors in relation to the appointment of the external auditor;

- reviewing and monitoring the external auditor's independence;
 - implementing and reviewing MIG 2's policies on the engagement of the external auditor to supply non-audit services and
 - reviewing and assessing the external audit process.
- 4.9 The MIG 2 Board has not appointed a senior independent director as it does not believe that such appointment is necessary since the MIG 2 Board is composed solely of non-executive directors. This role is fulfilled, as appropriate, by the chairman of the audit committee. He is available to shareholders if they have concerns which they have been unable to resolve through the normal channels of communication.
- 4.10 All of the MIG 2 Directors are members of the remuneration committee with Ken Vere Nicoll being chairman. Ken Vere Nicoll is due to step down as a director at the conclusion of the annual general meeting of MIG 2 on 14 September 2017. Ian Blackburn will take over as chairman of the remuneration committee from 14 September 2017. This committee, which has the responsibility for reviewing the remuneration of the MIG 2 directors, will meet at least annually to consider the levels of remuneration of the MIG 2 directors, specifically reflecting the time commitment and responsibilities of the role. The committee will also undertake comparisons and reviews to ensure that the levels of remuneration paid are broadly in line with industry standards. The nomination committee, which also consists of all of the MIG 2 Directors and which is chaired by Nigel Melville, meets annually to consider the composition and balance of skills, knowledge and experience of the MIG 2 directors and would make nominations to the MIG 2 directors in the event of a vacancy. New MIG 2 directors are required to resign at the annual general meeting following appointment and then thereafter every three years. A formal induction programme for MIG 2 directors has not been required to date. New MIG 2 directors will be provided with an induction pack and an induction session will be arranged in conjunction with the Board and Mobeus.

The Nomination and Remuneration Committees are merging to become one Nomination and Remuneration Committee on 14 September 2017. The chairman of the committee will be Ian Blackburn.

- 4.11 The Financial Conduct Authority requires all listed companies to disclose how they have applied the principles and complied with the provisions of the UK Corporate Governance Code (formerly the Combined Code) issued by the Financial Reporting Council.

The MIG 2 Board has also considered the principles and recommendations of the AIC Code of Corporate Governance ("AIC Code") by reference to the AIC Corporate Governance Guide for Investment Companies ("AIC Guide"). The AIC Code, as explained by the AIC Guide, addresses all the principles set out in the UK Corporate Governance Code, as well as setting out additional principles and recommendations on issues that are of specific relevance to MIG 2.

The Financial Reporting Council has confirmed that in complying with the AIC Code, MIG 2 meets its obligations in relation to the UK Corporate Governance Code and the Listing Rules. The MIG 2 Board considers that reporting against the principles and recommendations of the AIC Code, and by reference to the AIC Guide (which incorporates the UK Corporate Governance Code), will provide better information to shareholders.

For the year ended 31 March 2017 and as at the date of this document, MIG 2 has complied with the recommendations of the AIC Code and the relevant provisions of the UK Corporate Governance Code, except where noted below. There are certain areas of the UK Corporate Governance Code that the AIC does not consider relevant to investment companies and with which MIG 2 does not specifically comply, of which the AIC Code provides dispensation. The areas and reasons for non-compliance are as follows:

- in light of the responsibilities retained by the MIG 2 Board and its committees and of the responsibilities delegated to Mobeus, MIG 2 has not appointed a chief executive officer or executive directors; and
- due to the systems and procedures of Mobeus, the provision of VCT tax monitoring services by Philip Hare & Associates LLP, as well as the size of MIG 2's operations, the MIG 2 Board believe that an internal audit function is not appropriate.

MIG 2 has not, therefore, reported further in respect of these provisions.

5 Material contracts

Set out below is a summary of all contracts (not being contracts entered into in the ordinary course of business) entered into by MIG 2 in the last two years that are material and all other contracts (not being contracts entered into in the ordinary course of business) that contain any provision under which MIG 2 has an obligation or entitlement which is material to MIG 2 as at the date of the document.

- 5.1 An investment management agreement dated 10 September 2010 (as amended and restated on 15 September 2016) between MIG 2 (1) and Mobeus (2), pursuant to which Mobeus provides certain advisory investment management and administrative services to MIG 2 for a fee payable quarterly in advance of an amount equal to 2% per annum of net assets (exclusive of VAT, if any) plus an annual fixed fee of £104,432 (inclusive of VAT, if any) subject to increase in the Retail Price Index. In 2013, Mobeus agreed to waive such further increases until otherwise agreed with the MIG 2 Board. If such annual increases were reinstated, the base annual fee to which such percentage increases would apply would be £113,589 (inclusive of VAT).

The above fees are subject to an annual expenses cap of over and above 3.6% of the net assets of MIG 2 by way of a reduction of fees due to Mobeus in the following accounting period(s). For these purposes annual expenses include the normal running costs of MIG 2 (excluding irrecoverable VAT and exceptional items but including annual trail commission). The amount of the excess is borne in full by Mobeus.

Mobeus may (subject to due disclosure to the MIG 2 Board) retain for its own benefit, arrangement or syndication fees, placing commissions, monitoring fees, directors' fees and/or similar sums which it receives in connection with any investment made by MIG 2, provided that the maximum amount of such fees and/or similar sums (other than directors' fees and monitoring fees) shall not exceed 2.5% of the funds provided for each such investment.

The agreement is terminable by either party on 12 months' notice by any party subject to earlier termination by any party in the event of, inter alia, a party having a receiver, administrator or liquidator appointed or committing a material breach of the agreement or by MIG 2 where Mobeus ceases to be authorised by the FCA or if there is a change in control of Mobeus.

The agreement contains provisions indemnifying Mobeus against any liability not due to its default, gross negligence, fraud or breach of FSMA.

- 5.2 A performance incentive agreement dated 20 September 2005 between MIG 2 (1) and Mobeus (2), pursuant to which Mobeus is entitled to receive performance related incentive fees subject to achieving certain defined targets.

Mobeus is entitled to receive a performance incentive fee calculated as an amount equivalent to 20% of the excess of a "Target Rate" comprising an annual dividend target of 7.55p (indexed each year for RPI) per MIG 2 Share as at March 2017, and a requirement that any cumulative shortfalls below the annual dividend target from previous years must be made up in the relevant year in question. Any excess is not carried forward, whether a fee is payable for that year or not.

Payment of a fee is also conditional upon the average NAV per MIG 2 Share for the relevant year equaling or exceeding the average "Base NAV" per MIG 2 share for that year. Base NAV commenced at 100p per MIG 2 Share when the C ordinary shares ("C Shares"), which are now constituted within the MIG 2 Shares class, were first issued in 2005, with this further being adjusted for subsequent MIG 2 Shares issued and bought back.

Any performance fee will be payable annually. It will be reduced to the proportion which the number of "Incentive Fee Shares" represent of the total number of MIG 2 Shares in issue at any calculation date. Incentive Fee Shares are the only MIG 2 Shares upon which an incentive fee is payable. These are the number of C Shares in issue just before the merger of the two former share classes on 10 September 2010 (the merged share class then subsequently became the current class of MIG 2 Shares) plus MIG 2 Shares issued under new fundraisings since the merger. This total is then reduced by an estimated proportion of the MIG Shares bought back by MIG 2 since the merger, that are attributable to the Incentive Fee Shares.

For the year ending 31 March 2018, the annual dividend hurdle is currently 7.55p per MIG 2 Share (subject to any RPI increase for the current year) and as at 30 June 2017 the Base NAV is 106.14p, compared to a current average NAV per MIG 2 Share of 109.31p for the year.

The agreement will terminate automatically if MIG 2 enters into liquidation or if a receiver or administrator is appointed or if a resolution is passed that MIG 2 is voluntarily wound up in accordance with the MIG 2 Articles.

- 5.3 A letter of engagement dated 6 July 2017 from Howard Kennedy pursuant to which Howard Kennedy has been appointed as sponsor to the Companies in connection with the Offers. The Companies have agreed to indemnify Howard Kennedy for any loss suffered in respect of its role as sponsor which is a customary provision in an agreement of this nature. The Companies' liability under this indemnity is unlimited.
- 5.4 An offers agreement dated 6 September 2017 between MIG (1), MIG 2 (2), MIG 4 (3), I&G (4), the Directors (5), Howard Kennedy (6) and Mobeus (7) whereby Mobeus has agreed to act as promoter in connection with the MIG 2 Offer and Howard Kennedy has agreed to act as sponsor in connection with the MIG 2 Offer. The agreement contains warranties given by MIG 2 and the MIG 2 Directors and an indemnity given by MIG 2 to Mobeus and Howard Kennedy. The indemnities relate to any loss suffered by Mobeus or Howard Kennedy in respect of their roles as promoter and sponsor which is customary in an agreement of this nature. MIG 2 has agreed to pay Mobeus a commission of an amount representing 3.25% of the Investment Amounts in respect of applications accepted under the MIG 2 Offer, less (i) an amount equal to the Early Investment Incentive discount in respect of such applications and less (ii) any 'execution only' initial commission offered by Mobeus in respect of such applications, but waived by the 'execution only' intermediary concerned, and less (iii) any additional amounts by which Mobeus has agreed to reduce its fees further (in whole or part) in respect of such applications (such amount being inclusive of VAT), out of which will be paid all costs, charges and expenses of or incidental to the Offers (other than trail commission and any amounts due from the Companies to the investor in connection with the facilitation of initial financial adviser charges).
- 5.5 A side letter dated 5 September 2017 from Mobeus to MIG 2 pursuant to which Mobeus has agreed, in the event that MIG 2 utilises its over-allotment facility, to waive its management fees payable for the 12 month period commencing on the close of the MIG 2 Offer under the agreement referred to at paragraph 5.1 above by an amount equal to 1% of any gross funds raised by MIG 2 under its over-allotment facility.

6 Objective and investment policy

6.1 Objective

The objective of MIG 2 is to provide investors with a regular income stream, arising both from the income generated by the companies selected for the portfolio and from realising any growth in capital, while continuing at all times to qualify as a VCT.

6.2 Investment policy

MIG 2's policy is to invest primarily in a diverse portfolio of UK unquoted companies.

Investments are made selectively across a number of sectors, principally in established companies. Investments are usually structured as part loan stock and part equity in order to receive regular income stream and to generate capital gains from realisations.

There are a number of conditions within the VCT legislation which need to be met by MIG 2 and which may change from time to time. MIG 2 will seek to make investments in accordance with the requirements of prevailing VCT legislation.

Asset allocation and risk diversification policies, including the size and type of MIG 2 makes, are determined in part by the requirements of prevailing VCT legislation. No single investment may represent more than 15% (by VCT tax value) of MIG 2's total investments at the date of investment.

Liquidity

MIG 2's cash and liquid funds are held in a portfolio of readily realisable interest bearing investments, deposit and current accounts, of varying maturities, subject to the overriding criterion that the risk of loss of capital be minimised.

Borrowing

MIG 2's articles of association permit borrowings of amounts up to 10% of the adjusted capital and reserves (as defined therein). However, MIG 2 has never borrowed and the MIG 2 Board would only consider doing so in exceptional circumstances.

- 6.3 It is the intention of the MIG 2 Directors that MIG 2 will pay dividends or make distributions from revenue profits and profits realised from the sale of investments.
- 6.4 MIG 2 is subject to the investment restrictions relating to a venture capital trust in the Tax Act, as more particularly detailed in Part Ten of the Securities Note, and in the Listing Rules which specify that (i) MIG 2 must, at all times, invest and manage its assets in a way which is consistent with its object of spreading investment risk and in accordance with its published investment policy as set out in this paragraph 6 above; (ii) MIG 2 must not conduct any trading activity which is significant in the context of its group as a whole; and (iii) MIG 2 may not invest more than 10%, in aggregate, of the value of the total assets of the issuer at the time an investment is made in other listed closed-ended investment funds. Any material change to the investment policy of MIG 2 will require the approval of MIG 2 Shareholders pursuant to the Listing Rules. MIG 2 intends to direct its affairs in respect of each of its accounting periods so as to qualify as a venture capital trust and accordingly:
- (a) MIG 2's income is intended to be derived wholly or mainly from shares or other securities, as this phrase is interpreted by HMRC;
 - (b) MIG 2 will not control the companies in which it invests in such a way as to render them subsidiary undertakings;
 - (c) none of the investments at the time of acquisition will represent more than 15% by VCT Value of MIG 2's investments; and
 - (d) not more than 20% of MIG 2's gross assets will at any time be invested in the securities of property companies.
- 6.5 Mobeus has and will have sufficient and satisfactory relevant experience in advising on investments of the size and type which MIG 2 proposes to make. The MIG 2 Directors will also ensure that the board of MIG 2 and any additional or replacement investment advisers have and will have sufficient and satisfactory experience in advising on such investments.
- 6.6 In the event of a breach of the investment restrictions which apply to MIG 2 as described in paragraph 6.2 above, Shareholders of MIG 2 will be informed by means of the half-year and/or the annual report or through a public announcement.
- 6.7 The MIG 2 Directors act and will continue to act independently of Mobeus. No majority of the MIG 2 Directors will be directors or employees of, or former directors or employees of, or professional advisers to, Mobeus or any other company in the same group as Mobeus.
- 6.8 The investment policy as set out in this paragraph 6 above, in the absence of unforeseen circumstances, will be adhered to by MIG 2 for at least three years following the date of close of the MIG 2 Offer. Any material change to MIG 2's investment policy in any event will only be made with the approval of the Shareholders of MIG 2 by ordinary resolution.

7 Related party disclosures

Related party transactions for MIG 2 undertaken in the financial years ended 31 March 2015, 2016 and 2017 are set out in the respective audited report and accounts for those year ends, which are incorporated by reference: in Note 3 and on page 47 for the year ended 31 March 2015, in Note 4 on pages 48 and 49 for the year ended 31 March 2016 and Note 4 on pages 45 and 46 for the year ended 31 March 2017. Apart from the payment of the MIG 2 Directors' remuneration on the basis set out in paragraph 3.4 above and the investment management, administration and performance incentive fees as set out in paragraphs 5.1 and 5.2 above, there have been no other related party payments in the current year to the date of this document. Save for the entering into of the offer agreement as set out in paragraph 5.4 above, MIG 2 has not entered into any related party transactions within the meaning of IFRS or UK GAAP since 31 March 2017.

8 Overseas investors

The issue of Offer Shares to persons resident in or citizens of jurisdictions outside the UK may be affected by the laws of the relevant jurisdiction. Such investors should inform themselves about and observe any legal requirements, in particular:

- 8.1 none of the Offer Shares have been or will be registered under the United States Securities Act 1933, as amended, or qualify under applicable United States state statute and the relevant clearances have not been, and will not be, obtained from the securities commission of any province of Canada, Australia, Japan, South Africa or New Zealand;
- 8.2 the Companies are not registered under the United States Investment Company Act of 1940, as amended and investors are not entitled to the benefits of that Act; and
- 8.3 no offer is being made, directly, under the MIG 2 Offer, in or into or by the use of emails, or by means of instrumentality (including, without limitation, facsimile, transmission, telex or telephone) or interstate or foreign commerce, or of any facility in a national securities exchange, of the United States, Canada, Australia, Japan, South Africa or New Zealand. It is the responsibility of investors with registered addresses outside the UK to satisfy themselves as to the observance of the laws of the relevant jurisdiction in connection with the issue of Offer Shares, including the obtaining of any government or exchange control or other consents which may be required, the compliance with any other necessary formalities which need to be observed and the payment of any issue, transfer or other taxes or duties due in such jurisdiction.

9 Taxation

The following paragraphs, which are intended as a general guide only and are based on current legislation and HMRC practice, summarise advice received by the MIG 2 Directors as to the position of the Companies' Shareholders who hold MIG 2 Shares other than for trading purposes. Any person who is in any doubt as to his taxation position or is subject to taxation in any jurisdiction other than the United Kingdom should consult his professional advisers.

- 9.1 Taxation of dividends - under current law, no tax will be withheld by MIG 2 when it pays a dividend.
- 9.2 Stamp duty and stamp duty reserve tax - MIG 2 has been advised that no stamp duty or stamp duty reserve tax will be payable on the issue of the MIG 2 Shares. MIG 2 has been advised that the transfer of MIG 2 Shares will, subject to any applicable exemptions, be liable to ad valorem stamp duty at the rate of 0.5% of the consideration paid. An unconditional agreement to transfer such shares if not completed by a duly stamped stock transfer will be subject to stamp duty reserve tax generally at the rate of 50p per £100 (or part thereof) of the consideration paid.
- 9.3 Close company - the MIG 2 Directors believe that MIG 2 is not, and expect that following completion of the MIG 2 Offer will not be, a close company within the meaning of the Tax Act. If MIG 2 were a close company in any accounting period, approval as a Venture Capital Trust would be withdrawn.

4. **Management and administration**

- 4.1 The MIG 4 Directors are responsible for the determination of the investment policy, subject to approval by MIG 4 Shareholders for any material changes, and have overall responsibility for its affairs. The MIG 4 Directors also retain responsibility for approving both the valuations of the portfolio and the net asset value of MIG 4. Mobeus has been appointed as investment adviser, providing investment advisory, administrative and company secretarial services to MIG 4 on the terms set out at paragraphs 5.1 and 5.2 below. The existing management agreement set out at paragraph 5.1 below will automatically cover the management and fees in relation to the new funds raised by MIG 4 pursuant to the MIG 4 Offer and the performance incentive arrangements set out in paragraphs 5.2 will also automatically extend to such funds.
- 4.2 As is customary in the private equity industry, Mobeus may retain for its own benefit and without liability to account to MIG 4, subject to full disclosure having been made to the MIG 4 Directors, arrangement fees which it receives in connection with any unquoted investment made by MIG 4. It may also receive all monitoring fees or directors' fees charged to investee companies. Costs incurred on abortive investment proposals will be the responsibility of Mobeus.

- 4.3 Mobeus is responsible for the determination and calculation of MIG 4's net asset value, which is prepared quarterly for approval by the MIG 4 Directors. All unquoted investments are valued in accordance with IPEVC Valuation Guidelines under which investments are held at fair value. Any AIM or other quoted investment will be valued at the bid price of its shares as derived from the Daily Official List of the London Stock Exchange, in accordance with general accepted accounting practice. MIG 4's net asset value will be calculated quarterly and published on an appropriate regulatory information service.

If, at any time, MIG 4's VCT status is lost, dealing in its shares and valuation of MIG 4's net asset value will normally be suspended, which will be communicated to shareholders on an appropriate regulatory information service until such time as proposals to continue as a VCT or to be wound up have been further announced. The MIG 4 Directors do not anticipate any other circumstance under which valuations may be suspended.

- 4.4 MIG 4 expects to co-invest with the other VCT funds advised by Mobeus, participating in equity investments up to £5 million in aggregate, as long as the business has not received funds from any state-aided risk capital in the 12 months prior to the date of investment.

Where more than one of the funds advised by Mobeus wishes to participate in an investment opportunity, allocations will generally be made in proportion to the latest announced net asset value, adjusted for subsequent buybacks and dividends paid, of each fund at the date each investment proposal is forwarded to each Board. When one of the funds advised by Mobeus is in its fund raising period, its net funds raised, for the purpose of allocation, will be assumed to be the value of shares allotted at the time the allocation calculation is made. Implementation of this policy will be subject to the availability of funds to make the investment and other portfolio considerations such as sector exposure and the requirement to achieve or maintain a minimum of 70% of a particular VCT's portfolio in VCT qualifying holdings. This may mean that MIG 4 may receive a greater or lesser allocation than would otherwise be the case under the normal co-investment policy.

When MIG 4 has insufficient funds available to satisfy its allocation, the balance shall be offered to one or more of the funds advised by Mobeus who have funds available for new investments pro rata as between themselves.

Any variation from this co-investment policy, insofar as it affects MIG 4 or where MIG 4 makes any investment not at the same time and on the same terms as that made by other funds advised by Mobeus, may only be made with the prior approval of the MIG 4 Directors who are independent of Mobeus.

Save for the above, there are no material potential conflicts of interest which Mobeus may have as between its duty to MIG 4 and duties owed by them to third parties and their interests.

- 4.5 Philip Hare & Associates LLP receives an annual fee of £8,000 plus VAT for providing advice and assistance in relation to the maintenance of the VCT status of MIG 4. If requested by MIG 4, Philip Hare & Associates LLP will also review prospective investments to ensure that they are qualifying investments and carry out reviews of the investment portfolio of MIG 4 to ensure continuing compliance.

- 4.6 MIG 4 has and will continue to have custody of its own assets:

- MIG 4's monetary assets will be held in bank accounts and/or money market accounts in MIG 4's own name; and
- MIG 4's investments in both quoted and unquoted investments and the corresponding share certificates will also be held in MIG 4's own name.

- reviewing MIG 4's internal control and risk management systems;
- making recommendations to the MIG 4 Directors in relation to the appointment of the external auditor;
- reviewing and monitoring the external auditor's independence;
- implementing and reviewing MIG 4's policies on the engagement of the external auditor to supply non-audit services; and
- reviewing and assessing the external audit process.

4.9 The members of the nomination and remuneration committee of MIG 4 are Andrew Robson (chairman), Christopher Moore and Helen Sinclair. The nomination and remuneration committee members (who have responsibility for reviewing the remuneration of the MIG 4 Directors) will meet at least annually to consider the levels of remuneration of the MIG 4 Directors, specifically reflecting the time commitment and responsibilities of the role. The committee will also undertake comparisons and reviews to ensure that the levels of remuneration paid are broadly in line with industry standards. The nomination and remuneration committee also meets annually to consider the composition and balance of skills, knowledge and experience of the MIG 4 Directors and would make nominations to the MIG 4 Directors in the event of a vacancy. New MIG 4 Directors are required to resign at the annual general meeting following appointment and then thereafter every three years. New directors will be provided with an induction pack and an induction session will be arranged in conjunction with the Board and Mobeus.

4.10 The Financial Conduct Authority requires all listed companies to disclose how they have applied the principles and complied with the provisions of the UK Corporate Governance Code (formerly the Combined Code) issued by the Financial Reporting Council.

The MIG 4 Board has also considered the principles and recommendations of the AIC Code of Corporate Governance ("AIC Code") by reference to the AIC Corporate Governance Guide for Investment Companies ("AIC Guide"). The AIC Code, as explained by the AIC Guide, addresses all the principles set out in the UK Corporate Governance Code, as well as setting out additional principles and recommendations on issues that are of specific relevance to MIG 4.

The Financial Reporting Council has confirmed that in complying with the AIC Code, MIG 4 meets its obligations in relation to the UK Corporate Governance Code and the Listing Rules. The MIG 4 Board considers that reporting against the principles and recommendations of the AIC Code, and by reference to the AIC Guide (which incorporates the UK Corporate Governance Code), will provide better information to shareholders.

For the year ended 31 December 2016 and as at the date of this document, MIG 4 has complied with the recommendations of the AIC Code and the relevant provisions of the UK Corporate Governance Code, except where noted below. There are certain areas of the UK Corporate Governance Code that the AIC does not consider relevant to investment companies and with which MIG 4 does not specifically comply, of which the AIC Code provides dispensation. The areas and reasons for non-compliance are as follows:

- in light of the responsibilities retained by the MIG 4 Board and its committees and of the responsibilities delegated to Mobeus, MIG 4 has not appointed a chief executive officer or executive directors;
- due to the size of the MIG 4 Board, the size of the business and its lack of complexity, the MIG 4 Board have decided that it is inappropriate for the time being to appoint a senior independent director or deputy chairman; and
- due to the systems and procedures of Mobeus, the provision of VCT tax monitoring services by Philip Hare & Associates LLP, as well as the size of MIG 4's operations, the MIG 4 Board believe that an internal audit function is not appropriate.

MIG 4 has not, therefore, reported further in respect of these provisions.

5 Material contracts

Set out below is a summary of all contracts (not being contracts entered into in the ordinary course of business) entered into by MIG 4 in the last two years that are material and all other contracts (not being contracts entered into in the ordinary course of business) that contain any

provision under which MIG 4 has an obligation or entitlement which is material to MIG 4 as at the date of the document.

- 5.1 An investment management agreement dated 12 November 2010 (as amended and restated on 10 November 2016) between MIG 4 (1) and Mobeus (2) pursuant to which Mobeus provides certain advisory investment management and administrative services to MIG 4.

Mobeus is entitled to an annual management fee of an amount equal to 2% of the net asset value per annum of MIG 4 plus an annual fixed fee of £107,827 subject to annual RPI uplift, payable quarterly in advance (exclusive of VAT, if any). In 2013, Mobeus agreed to waive such further uplift until otherwise agreed with the MIG 4 Board. If such annual increases were reinstated, the base annual fee to which such percentage increases would apply would be £115,440 (exclusive of VAT).

The above fees are subject to an annual expenses cap of over and above 3.4% of the net assets of MIG 4 by way of a reduction of fees due to Mobeus in the following accounting period(s). For these purposes annual expenses include the normal running costs of MIG 4 (excluding irrecoverable VAT and exceptional items but including annual trail commission). The amount of the excess is borne in full by Mobeus.

Mobeus may (subject to due disclosure to the MIG 4 Board) retain for its own benefit, arrangement or syndication fees, placing commissions, monitoring fees, directors' fees and/or similar sums which it receives in connection with any investment made by MIG 4, provided that the maximum amount of such fees and/or similar sums (other than directors' fees and monitoring fees) shall not exceed 2.5% of the funds provided for each such investment.

The agreement is terminable by either party by 12 months' notice by any party subject to earlier termination by any party in the event of, inter alia, a party having a receiver, administrator or liquidator appointed or committing a material breach of the agreement or by MIG 4 where Mobeus ceases to be authorised by the FCA or if there is a change in control of Mobeus.

The agreement contains provisions indemnifying Mobeus against any liability not due to its default, gross negligence, fraud or breach of FSMA.

- 5.2 A performance incentive agreement dated 1 November 2006 between MIG 4 (1), Mobeus (2) and Matrix Group Limited (in liquidation) (3), pursuant to which Mobeus is entitled to receive performance related incentive fees subject to achieving certain defined targets.

Mobeus is entitled to receive a performance incentive fee of an amount equal to 20% of excess annual dividends paid in an accounting period to the holders of MIG 4 Shares in excess of an annual dividend target return of 8.52p (subject to annual RPI increases) per MIG 4 Share, subject to MIG 4 maintaining an average NAV per MIG 4 Share above or equal to an average "Base NAV" per MIG 4 Share. As at 30 June 2017 the Base NAV is currently 118.64p and the average NAV is currently 106.26p per MIG 4 Share.

The performance incentive fee is payable annually and any cumulative shortfalls against the annual dividend target return from previous years have to be made up in the year in question before any entitlement arises. The current cumulative dividend shortfall (ignoring the RPI increase for the current year) is 21.62p per MIG 4 Share.

The agreement will terminate automatically if MIG 4 enters into liquidation or if a receiver or administrator is appointed or if a resolution is passed that MIG 4 is voluntarily wound up in accordance with the MIG 4 Articles.

- 5.3 A letter of engagement dated 6 July 2017 from Howard Kennedy pursuant to which Howard Kennedy has been appointed as sponsor to the Companies in connection with the Offer. The Companies have agreed to indemnify Howard Kennedy for any loss suffered in respect of its role as sponsor which is a customary provision in an agreement of this nature. The Companies' liability under this indemnity is unlimited.

- 5.4 An offers agreement dated 6 September 2017 between MIG (1), MIG 2 (2), MIG 4 (3), I&G (4), the Directors (5), Howard Kennedy (6) and Mobeus (7) whereby Mobeus has agreed to act as promoter in connection with the MIG 4 Offer and Howard Kennedy has agreed to act as sponsor in connection with the MIG 4 Offer. The agreement contains warranties given by MIG 4 and the MIG 4 Directors and an indemnity by MIG 4 to Mobeus and Howard Kennedy. The indemnities relate to any loss suffered by Mobeus or Howard Kennedy in respect of their roles as promoter and sponsor which is customary in an agreement of this nature. MIG 4 has agreed to pay Mobeus a commission of an amount representing 3.25% of the Investment Amounts in respect of

applications accepted under the MIG 4 Offer, less (i) an amount equal to the Early Investment Incentive discount in respect of such applications and less (ii) any 'execution only' initial commission offered by Mobeus in respect of such applications, but waived by the 'execution only' intermediary concerned, and less (iii) any additional amounts by which Mobeus has agreed to reduce its fees further (in whole or part) in respect of such applications (such amount being inclusive of VAT), out of which will be paid all costs, charges and expenses of or incidental to the Offer (other than trail commission and any amounts due from the Companies to the investor in connection with the facilitation of initial financial adviser charges).

- 5.5 A side letter dated 5 September 2017 from Mobeus to MIG 4 pursuant to which Mobeus has agreed, in the event that MIG 4 utilises its over-allotment facility, to waive its management fees payable for the 12 month period commencing on the close of the MIG 4 Offer under the agreement referred to at paragraph 5.1 above by an amount equal to 1% of any gross funds raised by MIG 4 under its over-allotment facility..

6 Objective and investment policy

6.1 Objective

The objective of MIG 4 is to provide investors with a regular income stream by way of tax-free dividends and to generate capital growth through portfolio realisations which can be distributed by way of additional tax-free dividends, while continuing at all times to qualify as a VCT.

6.2 Investment policy

MIG 4's policy is to invest primarily in a diverse portfolio of UK unquoted companies

Investments are made selectively across a number of sectors, principally in established companies. Investments are usually structured as part loan stock and part equity in order to receive regular income stream and to generate capital gains from realisations.

There are a number of conditions within the VCT legislation which need to be met by MIG 4 and which may change from time to time. MIG 4 will seek to make investments in accordance with the requirements of prevailing VCT legislation.

Asset allocation and risk diversification policies, including the size and type of investments MIG 4 makes, are determined in part by the requirements of prevailing VCT legislation. No single investment may represent more than 15% (by VCT tax value) of MIG 4's total investments at the date of investment.

Liquidity

MIG 4's cash and liquid funds are held in a portfolio of readily realisable interest bearing investments, deposit and current accounts, of varying maturities, subject to the overriding criterion that the risk of loss of capital be minimised.

Borrowing

MIG 4's articles of association permit borrowings of amounts up to 10% of the adjusted capital and reserves (as defined therein). However, the Company has never borrowed and the MIG 4 Board would only consider doing so in exceptional circumstances.

- 6.3 MIG 4's income is intended to be derived wholly or mainly from shares or other securities, as this phrase is interpreted by HMRC.

- 6.4 It is the intention of the MIG 4 Directors that MIG 4 will pay dividends or make distributions from revenue profits and profits realised from the sale of investments.

- 6.5 MIG 4 is subject to the investment restrictions relating to a venture capital trust in the Tax Act, as more particularly detailed in Part Ten of the Securities Note, and in the Listing Rules which specify that (i) MIG 4 must, at all times, invest and manage its assets in a way which is consistent with its object of spreading investment risk and in accordance with its published investment policy as set out in this paragraph 6 above; (ii) MIG 4 must not conduct any trading activity which is significant in the context of its group as a whole; and (iii) MIG 4 may not invest more than 10% , in aggregate, of the value of the total assets of the issuer at the time an investment is made in other listed closed-ended investment funds. Any material change to the investment policy of MIG 4 will require the approval of MIG 4 Shareholders pursuant to the

Listing Rules. MIG 4 intends to direct its affairs in respect of each of its accounting periods so as to qualify as a venture capital trust and accordingly:

- (a) MIG 4's income is intended to be derived wholly or mainly from shares or other securities, as this phrase is interpreted by HMRC;
- (b) MIG 4 will not control the companies in which it invests in such a way as to render them subsidiary undertakings;
- (c) none of the investments at the time of acquisition will represent more than 15% by VCT value of MIG 4's investments; and
- (d) not more than 20% of MIG 4's gross assets will at any time be invested in the securities of property companies.

6.6 Mobeus has and will have sufficient and satisfactory relevant experience in advising on investments of the size and type which MIG 4 proposes to make. The MIG 4 Directors will also ensure that the board of MIG 4 and any additional or replacement investment advisers have and will have sufficient and satisfactory experience in advising on such investments.

6.7 In the event of a breach of the investment restrictions which apply to MIG 4 as described in paragraph 6.3 above, Shareholders of MIG 4 will be informed by means of the half-year and/or the annual report or through a public announcement.

6.8 The MIG 4 Directors act and will continue to act independently of Mobeus. No majority of the MIG 4 Directors will be directors or employees of, or former directors or employees of, or professional advisers to, Mobeus or any other company in the same group as Mobeus.

6.9 The investment policy as set out in this paragraph 6 above, in the absence of unforeseen circumstances, will be adhered to by MIG 4 for at least three years following the date of close of the MIG 4 Offer. Any material change to MIG 4's investment policy in any event will only be made with the approval of the shareholders of MIG 4 by ordinary resolution.

(b) That, in substitution for any existing authorities, the I&G Directors were empowered in accordance with sections 570 and 573 of CA 2006 to allot or make offers or agreements to allot equity securities (as defined in section 560(1) of CA 2006) for cash, pursuant to the authority conferred upon them by the resolution set out in paragraph (a) above, or by way of a sale of treasury shares, as if section 561(1) of CA 2006 did not apply to any such sale or allotment, provided that the power conferred by this resolution is limited to the allotment of equity securities:

- (i) with an aggregate nominal value representing £165,400 in connection with offer(s) for subscription;
- (ii) with an aggregate nominal value of up to, but not exceeding, 5% of the issued I&G Share capital from time to time pursuant to any dividend investment scheme operated by I&G at a subscription price per I&G Share which is less than the net asset value per I&G Share; and
- (iii) otherwise than pursuant to sub-paragraphs (i) and (ii) above, with an aggregate nominal value of up to, but not exceeding, 5% of the issued I&G Share capital from time to time,;

in each case where the proceeds of the allotment may be used in whole or in part to purchase I&G Shares in the market and provided that this authority shall (unless renewed, varied or revoked by I&G in general meeting) expire on the date falling fifteen months after the passing of this resolution, or, if earlier, at the conclusion of the annual general meeting of I&G to be held in 2015, except that I&G may, before the expiry of this authority, make offers or agreements which would or might require equity securities to be allotted after such expiry and the I&G Directors may allot equity securities in pursuance of such offers or agreements as if the authority conferred hereby had not expired.

(c) That, in substitution for any existing authorities, I&G was authorised pursuant to and in accordance with section 701 of CA 2006 to make one or more market purchases (within the meaning of section 693(4) of CA 2006) of its own I&G Shares provided that:

- (i) the aggregate number of I&G Shares which may be purchased shall not exceed 10,779,912 or, if lower, such number of I&G Shares (rounded down to the nearest whole I&G Share) as shall equal 14.99% of the I&G Shares in issue at the date of the passing of this resolution;

- (ii) the minimum price which may be paid for an I&G Share is one penny (the nominal amount thereof);
- (iii) the maximum price which may be paid for an I&G Share shall be the higher of:
 - (a) an amount equal to 5% above the average of the middle market quotations for an I&G Share taken from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the I&G Share is contracted to be purchased; and
 - (b) the price stipulated by Article 5(1) of the Buy Back and Stabilisation Regulations 2003 (EC2273/2003);
- (iv) the authority conferred by this resolution shall (unless previously renewed, varied or revoked by I&G in general meeting) expire on the date falling fifteen months after the passing of this resolution, or, if earlier, at the conclusion of the annual general meeting of I&G to be held in 2018; and
- (v) I&G may make a contract or contracts to purchase its own I&G Shares under this authority prior to the expiry of such authority which will or may be executed wholly or partly after the expiry of such authority, and may make a purchase of its own I&G Shares pursuant to any such contract.

2.7 The following resolutions of I&G were passed at the general meeting of I&G held on 3 August 2017:

That, in addition to existing authorities:

(a) *Authority to allot*

the I&G Directors be and hereby are generally and unconditionally authorised in accordance with section 551 of CA 2006, to exercise all the powers of I&G to allot I&G Shares and to grant rights to subscribe for, or to convert any security into, I&G Shares (Rights) up to an aggregate nominal value of £370,000, provided that this authority shall (unless renewed, revoked or varied by I&G in general meeting) expire on the date falling fifteen months after the passing of this resolution (save that I&G shall be entitled to make offers or agreements before the expiry of such authority which would or might require shares to be allotted or Rights to be granted after such expiry and the I&G Directors shall be entitled to allot shares or grant Rights pursuant to any such offers or agreements as if the authority had not expired); and

(b) *Disapplication of pre-emption rights*

the directors be and hereby are empowered pursuant to sections 570 and 573 of CA 2006 to allot equity securities (as defined in section 560 of CA 2006) for cash, pursuant to the authority conferred by paragraph (a) of this resolution as if section 561(1) of CA 2006 did not apply to any such allotment, provided that this authority shall be limited to the allotment of equity securities with an aggregate nominal value of up to but not exceeding £370,000 in connection with offer(s) for subscription (where the proceeds may be used, in whole or in part, to purchase shares in the capital I&G), such authority to (unless renewed, revoked or varied by I&G in general meeting) expire on the date falling fifteen months after the passing of this resolution (save that I&G shall be entitled to make offers or agreements before the expiry of such authority which would or might require equity securities to be allotted after such expiry and the shall be entitled to allot equity securities in pursuance of such offers or agreements as if the authority conferred by this resolution had not expired).

2.8 There are no other shares or loan capital in I&G in issue or under option or agreed conditionally or unconditionally to be put under option nor does I&G hold shares in treasury.

2.9 Following the issue of I&G Shares pursuant to the I&G Offer (assuming the maximum 37 million I&G Shares are allotted) the issued share capital of I&G is expected to be as follows:

	Issued	
	Number	£
I&G Shares	112,689,629	1,126,896.29

2.10 The I&G Shares are/will be in registered form and no temporary documents of title will be issued. I&G is registered with CREST, a paperless settlement system, and those Shareholders who wish to hold their I&G Shares in electronic form may do so.

- 2.11 I&G will be subject to the continuing obligations of the Listing Rules with regard to the issue of securities for cash and the provisions of section 561 of CA 2006 (which confers on shareholders rights of pre-emption in respect of the allotment of equity securities which are, or are to be, paid up in cash) will apply to the balance of the share capital of I&G which is not subject to the disapplication referred to in paragraphs 2.6 and 2.7 above.
- 2.12 As at 5 September 2017 (this being the latest practicable date prior to publication of this document), I&G is not aware of any person who, immediately following the issue of the Offer Shares, directly or indirectly, has or will have an interest in the capital of I&G or voting rights which is notifiable under UK law (under which, pursuant to CA 2006 and the Listing Rules and Disclosure and Transparency Rules of the FCA, a holding of 3% or more must be notified to I&G).

3. Directors' and other interests

- 3.1 The Board of I&G comprises three non-executive directors, all of whom are independent of Mobeus except for Helen Sinclair. The Board of I&G has substantial experience of venture capital businesses and has overall responsibility for I&G's affairs, including its investment policy. Mobeus acts as investment adviser.
- 3.2 As at 5 September 2017 (this being the latest practicable date prior to publication of this document), the interests of the I&G Directors (and their immediate families) in the issued share capital of I&G were as follows:

	I&G Shares	% of issued I&G Share capital
Colin Hook	75,780	0.1%
Jonathan Cartwright	23,693	0.03%
Helen Sinclair	20,018	0.03%

- 3.3 Save as set out above, no I&G Director, family member or any person connected with any I&G Director (within the meaning of section 252 of CA 2006) has any interest in the capital of I&G which is or would, immediately following the I&G Offer, be required to be notified pursuant to section 809 of CA 2006 or which is or would be required to be entered in the register maintained under section 809 of CA 2006.
- 3.4 Colin Hook was appointed under a letter of appointment dated 30 September 2000. Helen Sinclair was appointed under a letter of appointment dated 14 January 2003. Jonathan Cartwright was appointed under a letter of appointment dated 16 July 2010. None of the I&G Directors have a service contract and their appointments are all subject to a three months' notice period. All I&G Directors are subject to retirement by rotation. Their appointment does not confer any right to hold office for any period nor any right to compensation if they cease to be directors. The total annual remuneration receivable by Colin Hook as chairman of I&G is £46,000 (plus, if applicable, VAT and employers National Insurance Contributions). The total annual remuneration receivable by Helen Sinclair and Jonathan Cartwright is £36,000 each (in each case plus, if applicable, VAT and employers National Insurance Contributions). The office of non-executive director of I&G is not pensionable and no retirement or similar benefits are provided to the I&G Directors. Aggregate I&G Directors' emoluments in respect of qualifying services for the period ended 30 September 2016 amounted to £118,000 (being £46,000 for Colin Hook, £36,000 for Helen Sinclair and £36,000 for Jonathan Cartwright plus, if applicable, VAT and National Insurance Contributions. Aggregate emoluments for the current financial year are expected to be £118,000 (plus, if applicable, VAT and National Insurance).
- 3.5 Save for Helen Sinclair in respect of her directorships of British Smaller Companies VCT plc and Gresham House Strategic plc (previously Spark Ventures plc), which have all been approved by the I&G Board, there are no potential conflicts of interest between the duties of any I&G Director and their private interests and/or other duties.
- 3.6 No I&G Director is or has been interested in any transaction which is or was unusual in its nature or conditions or significant to the business of I&G and which was effected by I&G in the years ended 30 September 2014, 2015 and 2016 or to the date of this document in the current financial year or and remains in any respect outstanding or unperformed.
- 3.7 No loan or guarantee has been granted or provided by I&G to or for the benefit of any of the I&G Directors.
- 3.8 I&G has taken out directors' and officers' liability insurance for the benefit of its directors, which is renewable on an annual basis.

- 3.9 The I&G Directors are currently or have been within the last five years, a member of the administrative, management or supervisory bodies or partners of the companies and partnerships as set out on pages 12 to 13.
- 3.10 No I&G Director has any convictions in relation to fraudulent offences during the previous five years.
- 3.11 Save as disclosed in this paragraph, in the five years prior to the publication of this document, there were no bankruptcies, receiverships or liquidations of any companies or partnership where any of the I&G Directors were acting as (i) a member of the administrative, management or supervisory body, (ii) a partner with unlimited liability, in the case of a limited partnership with a share capital, (iii) a founder where the company had been established for fewer than five years nor (iv) a senior manager during the previous five years:
- (a) Colin Hook was a director of IBIS Designs Limited which was voluntarily struck off the Register of Companies in 2013. IBIS Designs Limited was neither insolvent nor owed any amounts to creditors at the date of this document.
 - (b) Jonathan Cartwright was a director of Aquilo Associates Limited which was voluntarily struck off the Register of Companies and dissolved in July 2013, being neither insolvent nor owing any amounts to creditors at the date of its dissolution. Jonathan Cartwright also was a director of Aberforth Geared Income Trust plc which was placed into members' voluntary liquidation on 30 June 2017 and a declaration of solvency was sworn on 15 June 2017.
 - (c) Helen Sinclair was a director of Octopus Eclipse VCT 3 plc which was placed into members' voluntary liquidation on 31 October 2012 pursuant to a section 110 Insolvency Act 1986 scheme of reconstruction with Octopus Eclipse VCT plc. Octopus Eclipse VCT 3 plc was neither insolvent nor owed any amounts to creditors at the time of its dissolution in April 2014. Helen Sinclair is also a director of Downing Income VCT 4 plc which was placed into members' voluntary liquidation on 12 November 2013 pursuant to a section 110 Insolvency Act 1986 scheme of reconstruction with Downing Distribution VCT 1 plc. Downing Income VCT 4 plc was neither insolvent nor owed any amounts to creditors at the date of its dissolution in April 2015.
- 3.12 There has been no official public incrimination and/or sanction of any I&G Director by statutory or regulatory authorities (including designated professional bodies) and no I&G Director has ever been disqualified by a court from acting as a member of the administrative, management or supervisory bodies of a company or from acting in the management or conduct of the affairs of any company during the previous five years.
- 3.13 The I&G Directors have individually entered into deeds of indemnity with I&G which indemnifies each I&G Director, subject to the provisions of CA 2006 and the limitations set out in each deed, against any liability arising out of any claim made against him or her in relation to the performance of their duties as I&G Directors. Copies of each deed of indemnity entered into by I&G for the I&G Directors are available at the registered office of I&G.

4. **Management and administration**

- 4.1 The I&G Directors are responsible for the determination of the investment policy, subject to approval by I&G Shareholders for any material changes, and have overall responsibility for its affairs. The I&G Directors also retain responsibility for approving both the valuations of the portfolio and the net asset value of I&G. Mobeus has been appointed as investment adviser providing investment advisory, administrative and company secretarial services to I&G on the terms set out at paragraphs 5.1 and 5.2 below. The existing management agreement set out at paragraph 5.1 below will automatically cover the management and fees in relation to the new funds raised by I&G pursuant to the I&G Offer and the performance incentive arrangements set out in paragraph 5.2 will also automatically extend to such funds
- 4.2 As is customary in the private equity industry, Mobeus may retain for its own benefit and without liability to account to I&G, subject to full disclosure having been made to the I&G Directors, arrangement fees which it receives in connection with any unquoted investment made by I&G. It may also receive all monitoring fees or directors' fees charged to investee companies. Costs incurred on abortive investment proposals will be the responsibility of Mobeus.
- 4.3 Mobeus is responsible for the determination and calculation of I&G's net asset value, which is prepared quarterly for approval by the I&G Directors. All unquoted investments are valued in accordance with IPEVC Valuation Guidelines under which investments are held at fair value. Any AIM or other quoted investment will be valued at the bid price of its shares as derived from the

Daily Official List of the London Stock Exchange, in accordance with general accepted accounting practice. I&G's net asset value will be calculated quarterly and published on an appropriate regulatory information service.

If, at any time, I&G's VCT status is lost, dealing in its shares and valuation of I&G's net asset value will normally be suspended, which will be communicated to shareholders on an appropriate regulatory information service until such time as proposals to continue as a VCT or to be wound up have been further announced. The I&G Directors do not anticipate any other circumstance under which valuations may be suspended.

- 4.4 I&G expects to co-invest with the other VCT funds advised by Mobeus, participating in equity investments up to £5 million in aggregate, as long as the business has not received funds from any state-aided risk capital in the 12 months prior to the date of investment.

Where more than one of the funds advised by Mobeus wishes to participate in an investment opportunity, allocations will generally be made in proportion to the latest announced net asset value of each fund, adjusted for subsequent buybacks and dividends paid, at the date each investment proposal is forwarded to each Board. When one of the funds advised by Mobeus is in its fund raising period, its net funds raised, for the purpose of allocation, will be assumed to be the value of shares allotted at the time the allocation calculation is made. Implementation of this policy will be subject to the availability of funds to make the investment and other portfolio considerations such as sector exposure and the requirement to achieve or maintain a minimum of 70% of a particular VCT's portfolio in VCT qualifying holdings. This may mean that I&G may receive a greater or lesser allocation than would otherwise be the case under the normal co-investment policy.

When I&G has insufficient funds available to satisfy its allocation, the balance shall be offered to one or more of the funds advised by Mobeus who have funds available for new investments pro rata as between themselves.

Any variation from this co-investment policy, insofar as it affects I&G or where I&G makes any investment not at the same time and on the same terms as that made by other funds advised by Mobeus, may only be made with the prior approval of the I&G Directors who are independent of Mobeus.

Save for the above, there are no material potential conflicts of interest which Mobeus may have as between its duty to I&G and duties owed by them to third parties and their interests.

- 4.5 Philip Hare & Associates LLP receives an annual fee of £9,000 plus VAT for providing advice and assistance in relation to the maintenance of the VCT status of I&G. If requested by I&G, Philip Hare & Associates LLP will also review prospective investments to ensure that they are qualifying investments and carry out reviews of the investment portfolio of I&G to ensure continuing compliance.

- 4.6 I&G has and will continue to have custody of its own assets:

- I&G's monetary assets are and will be held in bank accounts and/or money market accounts in I&G's own name; and
- I&G's investments in both quoted and unquoted investments and the corresponding share certificates are and will also be held in I&G's own name.

- 4.7 A maximum of 75% of I&G's management expenses will be charged against capital with the balance to be met from income.

- 4.8 All of the I&G Directors are members of the audit committee with Jonathan Cartwright acting as chairman. The audit committee members are considered to have sufficient recent and relevant financial experience to discharge the role, and will meet at least twice a year, amongst other things to, consider the following:

- review the half year and annual financial statements before submission to the I&G Directors, including meeting with the auditors;
- making recommendations to the I&G Directors in relation to the appointment, re-appointment and removal of the external auditor;
- monitoring the effectiveness of I&G's internal control systems;

- reviewing the scope and the results of the audit and ensuring its cost effectiveness; and
- reviewing and assessing the external audit process.

4.9 All of the I&G Directors are also members of the nomination and remuneration committee with Jonathan Cartwright acting as Chairman. The nomination and remuneration committee members (who have responsibility for reviewing the remuneration of the I&G Directors) meet at least annually to consider the levels of remuneration of the I&G Directors, specifically reflecting the time commitment and responsibilities of the role. The committee also undertakes comparisons and reviews to ensure that the levels of remuneration paid are broadly in line with industry standards. The nomination and remuneration committee also meets annually to consider the composition and balance of skills, knowledge and experience of all of the I&G Directors and would make nominations to the I&G Directors in the event of a vacancy. New I&G Directors are required to resign at the annual general meeting following appointment and then thereafter every three years. New directors are provided with an induction pack and an induction session is arranged in conjunction with the Board and Mobeus.

4.10 The Financial Conduct Authority requires all listed companies to disclose how they have applied the principles and complied with the provisions of the UK Corporate Governance Code (formerly the Combined Code) issued by the Financial Reporting Council.

The I&G Board has also considered the principles and recommendations of the AIC Code of Corporate Governance (“AIC Code”) by reference to the AIC Corporate Governance Guide for Investment Companies (“AIC Guide”). The AIC Code, as explained by the AIC Guide, addresses all the principles set out in the UK Corporate Governance Code, as well as setting out additional principles and recommendations on issues that are of specific relevance to I&G.

The Financial Reporting Council has confirmed that in complying with the AIC Code, I&G meets its obligations in relation to the UK Corporate Governance Code and the Listing Rules. The I&G Board considers that reporting against the principles and recommendations of the AIC Code, and by reference to the AIC Guide (which incorporates the UK Corporate Governance Code), will provide better information to shareholders.

For the year ended 30 September 2016 and as at the date of this document, I&G has complied with the recommendations of the AIC Code and the relevant provisions of the UK Corporate Governance Code, except where noted below. There are certain areas of the UK Corporate Governance Code that the AIC does not consider relevant to investment companies and with which I&G does not specifically comply, of which the AIC Code provides dispensation. The areas and reasons for non-compliance are as follows:

- in light of the responsibilities retained by the I&G Board and its committees and of the responsibilities delegated to Mobeus, I&G has not appointed a chief executive officer or executive directors; and
- due to the systems and procedures of Mobeus, the provision of VCT tax monitoring services by Philip Hare & Associates LLP, as well as the size of I&G’s operations, the I&G Board believe that an internal audit function is not appropriate.

I&G has not, therefore, reported further in respect of these provisions.

5 Material contracts

Set out below is a summary of all contracts (not being contracts entered into in the ordinary course of business) entered into by I&G in the last two years that are material and all other contracts (not being contracts entered into in the ordinary course of business) that contain any provision under which I&G has an obligation or entitlement which is material to I&G as at the date of the document.

5.1 An investment management agreement dated 29 March 2010 (as amended and restated on 14 September 2016) between I&G (1) and Mobeus (2) pursuant to which Mobeus provides certain advisory investment management and administrative services to I&G.

Mobeus is entitled to an annual management fee of an amount equal to 2.4% of the net asset value per annum (0.4% of such fee being subject to a minimum of £150,000 and a maximum of £170,000 the remainder of such fee not being subject to any cap) of I&G, payable quarterly in advance (inclusive of VAT, if any).

The above fees are subject to an annual expenses cap of over and above 3.25% of the net assets of I&G by way of a reduction of fees due to Mobeus in the following accounting period(s). For these purposes annual expenses include the normal running costs of I&G (including irrecoverable VAT but excluding exceptional items, annual trail commission and performance incentive payments). The amount of the excess is borne in full by Mobeus.

Mobeus may (subject to due disclosure to the I&G Board) retain for its own benefit, arrangement or syndication fees, placing commissions, monitoring fees, directors' fees and/or similar sums which it receives in connection with any investment made by I&G, provided that the maximum amount of such fees and/or similar sums (other than directors' fees and monitoring fees) shall not exceed 2.5% of the funds provided for each such investment.

The agreement is terminable by either party by 12 months' notice by any party subject to earlier termination by any party in the event of, inter alia, a party having a receiver, administrator or liquidator appointed or committing a material breach of the agreement or by I&G where Mobeus ceases to be authorised by the FCA or if there is a change in control of Mobeus.

The agreement contains provisions indemnifying Mobeus against any liability not due to its default, gross negligence, fraud or breach of FSMA.

- 5.2 A performance incentive agreement dated 16 December 2008 (effective from 12 September 2007) between I&G (1) Foresight Group LLP (2) and Matrix Private Equity Partners LLP (3) as varied by a deed of termination and variation between I&G (1) and Matrix Private Equity Partners LLP (2) dated 29 March 2010 pursuant to which I&G granted to each of Mobeus (then Matrix Private Equity Partners LLP) and Foresight Group LLP (the former joint investment adviser of I&G), the right to receive performance incentive payments in connection with the management of the former I&G ordinary shares fund.

Until 30 September 2013, Mobeus was entitled to receive a performance related incentive payment (payable in cash or I&G Shares) based on realised gains from the investment portfolio which it advises. The performance payment represents an amount equal to 20% of any excess (over the investment growth hurdle detailed below) of realised gains over realised losses from these investments during each accounting period provided that in respect of the portfolio:

- at any calculation date, the value of the investment portfolio, based on I&G's normal accounting policies, adjusted for net realised gains and losses and total surplus income since 20 June 2007 was equal to or greater than the embedded value of the portfolio, as adjusted by new investments and the value of the Nova Asset Management portfolio (as at 30 June 2007); and
- such excess was subject to an investment growth hurdle of 6% per annum calculated from 1 July 2007.

Foresight Group LLP, in connection with its previous appointment as an investment adviser of I&G, has an ongoing entitlement to performance fees in respect of the portfolio of the original I&G ordinary shares fund (similar to the above but disregarding the terms relating to the merger of the original I&G ordinary shares and I&G S ordinary shares). Following the termination of Foresight Group's appointment, its entitlement reduces proportionally over the ten years following such termination. The agreement remains in force, but only with the former adviser, Foresight Group LLP, from 30 September 2013. The agreement is due to expire on 10 March 2019.

- 5.3 A deed of termination and new performance incentive agreement dated 30 September 2014 (effective from 1 October 2013 and terminating, in respect of Mobeus only, the performance incentive agreement detailed at paragraph 5.2 above) between I&G (1) and Mobeus (2) pursuant to which Mobeus will receive a payment of amount equal to 15% of net realised gains for each year, payable in cash. It is payable only if cumulative NAV total return per I&G Share (this being the closing NAV per I&G Share as at a year end plus cumulative dividends paid per I&G Share to that year end, since 1 October 2013) exceeds a "Target Return". The Target Return is the greater of either:

- (i) compound growth of 6% per annum (but 5% per annum for the year ended 30 September 2014 only), before deducting any incentive fee payable for the year of calculation only, under both this amended agreement and the existing incentive agreement with Foresight Group LLP, in cumulative NAV total return per I&G Share; or
- (ii) the cumulative percentage change in the Consumer Prices Index since 1 October 2013

to the relevant financial year end, the resultant figure then being multiplied by $(100+A)/100$, where A is the number of full 12 month periods (or part thereof) that have passed between 1 October 2013 and the relevant financial year end (the result being that the cumulative increase in inflation is further uplifted to include a 1% above inflation increase per annum in the Target Return).

Both measures of Target Return are applied to the same opening base, being NAV per I&G Share as at 30 September 2013 of 113.90p. The objective of this Target Return is to enable I&G Shareholders to benefit from a cumulative NAV return of at least 6% per annum (5% in the financial year ended 30 September 2014), before any incentive fee is payable. Once a payment has been made, cumulative NAV total return is calculated after deducting past years' incentive fees paid and payable

Under this agreement, any fee payments to Mobeus are subject to an annual cap of an amount equal to 2% of the net assets of I&G as at the immediately preceding year end. This cap will include any fee payable to Foresight Group LLP under the agreement set out in paragraph 5.3, although any such payment to Foresight Group LLP is not capped. Any excess over 2% remains payable to Mobeus in the following year(s), subject again to the 2% annual cap in each subsequent year and after any payment in respect of such subsequent year(s). The incentive fee payable to Mobeus for the year ended 30 September 2016 was £1,096,391. As at 30 June 2017 the estimated incentive fee payable for the year ending 30 September 2017 is currently £607,634.

- 5.4 A letter of engagement dated 6 July 2017 from Howard Kennedy pursuant to which Howard Kennedy has been appointed as sponsor to the Companies in connection with the Offer. The Companies have agreed to indemnify Howard Kennedy for any loss suffered in respect of its role as sponsor which is a customary provision in an agreement of this nature. The Companies' liability under this indemnity is unlimited.
- 5.5 An offers agreement dated 6 September 2017 between MIG (1), MIG 2 (2), MIG 4 (3), I&G (4), the Directors (5), Howard Kennedy (6) and Mobeus (7) whereby Mobeus has agreed to act as promoter in connection with the I&G Offer and Howard Kennedy has agreed to act as sponsor in connection with the I&G Offer. The agreement contains warranties given by I&G and the I&G Directors and an indemnity given by I&G to Mobeus and Howard Kennedy. The indemnities relate to any loss suffered by Mobeus or Howard Kennedy in respect of their roles as promoter and sponsor which is customary in an agreement of this nature. I&G has agreed to pay Mobeus a commission of an amount representing 3.25% of the Investment Amounts in respect of applications accepted under the I&G Offer, less (i) an amount equal to the Early Investment Incentive discount in respect of such applications and less (ii) any 'execution only' initial commission offered by Mobeus in respect of such applications, but waived by the 'execution only' intermediary concerned, and less (iii) any additional amounts by which Mobeus has agreed to reduce its fees further (in whole or part) in respect of such applications (such amount being inclusive of VAT), out of which will be paid all costs, charges and expenses of or incidental to the Offer (other than trail commission and any amounts due from the Companies to the investor in connection with the facilitation of initial financial adviser charges).
- 5.6 A side letter dated 5 September 2017 from Mobeus to I&G pursuant to which Mobeus has agreed, in the event that I&G utilises its over-allotment facility, to waive its management fees payable for the 12 month period commencing on the close of the I&G Offer under the agreement referred to at paragraph 5.1 above by an amount equal to 1% of any gross funds raised by I&G under its over-allotment facility.

6 Objective and investment policy

6.1 Objective

The investment objective of I&G is to provide investors with an attractive return, by maximising the stream of tax-free dividend distributions from the income and capital gains generated by a diverse and carefully selected portfolio of investments, while continuing at all times to qualify as a VCT.

6.2 Investment policy

I&G's investment policy is to invest primarily in a diverse portfolio of UK unquoted companies. Investments are generally structured as part loan and part equity in order to receive regular income and to generate capital gains upon sale.

Investments are made selectively across a number of sectors, principally in established companies.

I&G's cash and liquid resources are held in a range of instruments of varying maturities, subject to the overriding criterion that the risk of loss of capital be minimised.

VCT regulation

The investment policy is designed to ensure that I&G continues to qualify and is approved as a VCT by HMRC.

Amongst other conditions, I&G may not invest more than 15% of its investments (by VCT value at the time of investment) in a single company or group and must have at least 70% by VCT value of its investments throughout the period in shares or securities comprised in VCT qualifying holdings, of which a minimum overall of 30% by VCT value (70% for funds raised after 6 April 2011) must be in ordinary shares which carry no preferential rights (save as may be permitted under VCT rules). In addition, although I&G can invest less than 30% (70% for funds raised after 6 April 2011) of an investment in a specific company in ordinary shares it must have at least 10% by VCT value of its total investments in each VCT qualifying company in ordinary shares which carry no preferential rights (save as may be permitted under VCT rules).

The companies in which investments are made must have no more than £15 million of gross assets at the time of investment and £16 million immediately following the investment to be classed as a VCT qualifying holding.

Asset mix

I&G initially holds its funds in a portfolio of interest-bearing investments and deposits. The investment portfolio of qualifying investments is built up over a three year period with the aim of investing and maintaining at least 70% of net funds raised in qualifying investments.

Risk diversification and maximum exposures

Risk is spread by investing in a number of different businesses across different industry sectors. To reduce the risk of high exposure to equities, each qualifying investment is structured to achieve the optimum balance between loan stock and equity to provide protection against downside risk alongside the best potential overall returns.

Co-investment

I&G is entitled to invest along side other VCTs advised by Mobeus that have a similar investment policy, normally on a pro rata to net assets basis.

Borrowing

I&G's Articles permit borrowings of amounts up to 10% of the adjusted capital and reserves (as defined therein). However, I&G has never borrowed and the I&G Board has no current plans to undertake any borrowing.

- 6.3 It is the intention of the I&G Directors that I&G will pay dividends or make distributions from revenue profits and profits realised from the sale of investments.
- 6.4 I&G is subject to the investment restrictions relating to a venture capital trust in the Tax Act, as more particularly detailed in Part Ten of the Securities Note, and in the Listing Rules which specify that (i) I&G must, at all times, invest and manage its assets in a way which is consistent with its object of spreading investment risk and in accordance with its published investment policy as set out in this paragraph 6 above; (ii) I&G must not conduct any trading activity which is significant in the context of its group as a whole; and (iii) I&G may not invest more than 10%, in aggregate, of the value of the total assets of the issuer at the time an investment is made in other listed closed-ended investment funds. Any material change to the investment policy of I&G will require the approval of I&G Shareholders pursuant to the Listing Rules. I&G intends to direct its affairs in respect of each of its accounting periods so as to qualify as a venture capital trust and accordingly:
- (a) I&G's income is intended to be derived wholly or mainly from shares or other securities, as this phrase is interpreted by HMRC;

- (b) I&G will not control the companies in which it invests in such a way as to render them subsidiary undertakings;
 - (c) none of the investments at the time of acquisition will represent more than 15% by VCT Value of I&G's investments; and
 - (d) not more than 20% of I&G's gross assets will at any time be invested in the securities of property companies.
- 6.5 Mobeus has and will have sufficient and satisfactory relevant experience in advising on investments of the size and type which I&G proposes to make. The I&G Directors will also ensure that the board of I&G and any additional or replacement investment advisers have and will have sufficient and satisfactory experience in advising on such investments.
- 6.6 In the event of a breach of the investment restrictions which apply to I&G as described in paragraph 6.2 above, Shareholders of I&G will be informed by means of the half-year and/or the annual report or through a public announcement.
- 6.7 The I&G Directors act and will continue to act independently of Mobeus. No majority of the I&G Directors will be directors or employees of, or former directors or employees of, or professional advisers to, Mobeus or any other company in the same group as Mobeus.
- 6.8 The investment policy as set out in this paragraph 6 above, in the absence of unforeseen circumstances, will be adhered to by I&G for at least three years following the date of close of the MIG 4 Offer. Any material change to I&G's investment policy in any event will only be made with the approval of the shareholders of I&G by ordinary resolution.

7 Related party disclosures

Save for the offer agreement as set out in paragraph 5.5 above, I&G has not entered into any related party transactions within the meaning of IFRS or UK GAAP since 31 March 2017.

8 Overseas investors

The issue of Offer Shares to persons resident in or citizens of jurisdictions outside the UK may be affected by the laws of the relevant jurisdiction. Such investors should inform themselves about and observe any legal requirements, in particular:

- 8.1 none of the Offer Shares have been or will be registered under the United States Securities Act 1933, as amended, or qualify under applicable United States state statute and the relevant clearances have not been, and will not be, obtained from the securities commission of any province of Canada, Australia, Japan, South Africa or New Zealand;
- 8.2 the Companies are not registered under the United States Investment Company Act of 1940, as amended and investors are not entitled to the benefits of that Act; and
- 8.3 no offer is being made, directly, under the I&G Offer, in or into or by the use of emails, or by means of instrumentality (including, without limitation, facsimile, transmission, telex or telephone) or interstate or foreign commerce, or of any facility in a national securities exchange, of the United States, Canada, Australia, Japan, South Africa or New Zealand. It is the responsibility of investors with registered addresses outside the UK to satisfy themselves as to the observance of the laws of the relevant jurisdiction in connection with the issue of Offer Shares, including the obtaining of any government or exchange control or other consents which may be required, the compliance with any other necessary formalities which need to be observed and the payment of any issue, transfer or other taxes or duties due in such jurisdiction.

9 Taxation

The following paragraphs, which are intended as a general guide only and are based on current legislation and HMRC practice, summarise advice received by the I&G Directors as to the position of shareholders who hold I&G Shares other than for trading purposes. Any person who is in any doubt as to his taxation position or is subject to taxation in any jurisdiction other than the United Kingdom should consult his professional advisers.

- 9.1 Taxation of dividends - under current law, no tax will be withheld by I&G when it pays a dividend.
- 9.2 Stamp duty and stamp duty reserve tax - I&G has been advised that no stamp duty or stamp duty reserve tax will be payable on the issue of the I&G Shares. I&G has been advised that the transfer of I&G Shares will, subject to any applicable exemptions, be liable to ad valorem stamp duty at the rate of 0.5% of the consideration paid. An unconditional agreement to transfer such shares if not completed by a duly stamped stock transfer will be subject to stamp duty reserve tax generally at the rate of 50p per £100 (or part thereof) of the consideration paid.
- 9.3 Close company - the I&G Directors believe that I&G is not, and expect that following completion of the I&G Offer will not be, a close company within the meaning of the Tax Act. If I&G were a close company in any accounting period, approval as a Venture Capital Trust would be withdrawn.

Assuming that the I&G Offer is fully subscribed and ignoring annual trail commission, the maximum expenses and the minimum net proceeds will be £812,500 and £24,187,500 respectively. The issue premium on a I&G Share issued pursuant to the I&G Offer will be the difference between the issue price of that share and the nominal value thereof of 1p.

PART V - THE COMPANIES' LARGEST INVESTMENTS

The investments set out below represent the Companies' ten largest investments (excluding liquidity funds and cash deposits, which are shown below under 'Other Investments').

As at the date of this document, these ten largest investments comprise approximately 40.9% of the aggregate investment portfolios (investments, plus cash and liquidity funds) of the Companies and represent all investments which represent 5% or more of the gross assets of one or more of the Companies (other than bank balances and liquidity funds).

All of the companies referred to below are profitable based on EBITA, as at the date of their last published accounts. The Boards and Mobeus believe that EBITA is a more meaningful measure of an investee company's underlying profitability to investors than profit after taxation. This is because earnings are calculated before deducting loan stock interest (which is part of the return to Mobeus VCTs earned by the investment structure) and other interest.

The 'Retained profit/(loss)' figures in the tables below are in respect of the relevant financial year as opposed to a cumulative amount (that has been carried forward from previous financial years). The percentage of investment portfolio below takes into account cash held and investments in liquidity funds.
